

# Notice of temporary two-way traffic lights on Uttoxeter Road, Blithbury.

June 2024 | [www.hs2.org.uk](http://www.hs2.org.uk)

High Speed Two (HS2) is the new high speed railway for Britain.

## Project update

On 4 October 2023, the Prime Minister announced that the Government proposes to deliver a broad range of transport initiatives in place of investing in Phase Two of HS2. This means that HS2 Ltd is not undertaking any 'new' work to progress plans for Phase 2a of the project and is working with Government to agree the next steps on this phase of the project.

The activity described below is needed either to finish work on an existing site, for the ongoing maintenance of a site, or for health, safety, and security reasons.

## What we are doing

As part of our ongoing maintenance of sites along Uttoxeter Road, from **5th June to 21st June 2024**, we will be carrying out works to drainage in land currently possessed by HS2,

On **Wednesday 5th June** and **Thursday 6th June 2024** vegetation clearance at an existing gate will be undertaken to allow access to carry out the works. Temporary two-way traffic lights will be installed to enable these works to be undertaken safely.

The repairs to the drain will be carried out between **Monday 17th June** and **Friday 21st June**. We will need to install temporary two-way traffic lights to manage the safe movement of the vehicles in and out of the land.

If your journey is affected by these works, we appreciate your patience and understanding for any minor delay. We also urge you to allow additional time for your journey as necessary.

**If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email [hs2enquiries@hs2.org.uk](mailto:hs2enquiries@hs2.org.uk)**
