

## Notice of closure of Church Lane, A4091 Northbound, Middleton

May 2024 | [www.hs2.org.uk](http://www.hs2.org.uk)

High Speed Two (HS2) is the new high speed railway for Britain. Balfour Beatty VINCI (BBV) is working in partnership with HS2 Ltd to build the new high-speed railway in your area.

### The work we will do

We will be undertaking utilities surveys on Church Lane and A4091 Northbound that will require a full one-week overnight closure. This will be to establish what utilities are beneath the road and what condition they are in ahead of future construction works. To complete these works safely we will need to implement a safe working area that will require the full closure of Church Lane and A4091 Northbound.

### When the work will take place

We will install full overnight closures on Church Lane and A4091 Northbound to complete utilities surveys as follows:

- **Church Lane and A4091**, full overnight closure **17, 18, 19 June** our working hours will be 8.00pm to 6.00am.
- **Church Lane** full overnight closure **20, 21 June** our working hours will be 8.00pm to 6.00am.

These works have been planned overnight to minimise the impact on road users.

## About our Community and Business Funds

We are offering two funds that are available to local communities and businesses between the West Midlands and London, to help with the disruption caused by our construction work. These are the Community and Environment Fund (CEF) and the Business and Local Economy Fund (BLEF).

The CEF is designed to give communities the opportunity to share in the benefits of HS2. It is an allocated fund that communities are able to apply for, to help to support local projects that aim to improve their local area.

The BLEF is designed to support local economies that may be disrupted by the construction of HS2. BLEF grants are for local business support organisations and local authorities to help maintain business activity in local communities.
