

Overnight Lawley Middleway Lane and Footpath Closures

High Speed Two (HS2) is the new high speed railway for Britain. Balfour Beatty VINCI (BBV) is working in partnership with HS2 Ltd to build the new high-speed railway in your area.

Overnight lane and footpath closures

In preparation for our plan to push a bridge over Lawley Middleway to carry the HS2 railway over the dual carriageway, we need to implement a series of single lane and footpath closures.

From **Monday 27 May to Sunday 16 June 2024**, will first close a single lane and the footpath on Lawley Middleway northbound. Once these works are complete, we will reopen the lane and footpath and then close a single lane and the footpath on Lawley Middleway southbound.

During this time, we will keep a single lane open for traffic and direct pedestrians to the footpath on the other side of Lawley Middleway. Lawley Middleway northbound will remain fully open.

Our plan

The Lawley Middleway bridge is part of the Curzon Street Station approach, the section of track that will lead trains in and out of Curzon Street station.

We are currently building the bridge 'offline' in our site next to Lawley Middleway, meaning we can minimise the number and length of closures required.

When we push the bridge over Lawley Middleway we will need to close the whole road overnight. During this time a diversion will be in place and access will be maintained to Landor Street. We will provide further details of the closure at least two weeks before.

Finding out more

Our teams will be out and about in the community to answer questions and help you to plan for the closure over the coming months.

If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email hs2enquiries@hs2.org.uk

About our Community and Business Funds

We are offering two funds that are available to local communities and businesses between the West Midlands and London, to help with the disruption caused by our construction work. These are the Community and Environment Fund (CEF) and the Business and Local Economy Fund (BLEF).

The CEF is designed to give communities the opportunity to share in the benefits of HS2. It is an allocated fund that communities are able to apply for, to help to support local projects that aim to improve their local area.

The BLEF is designed to support local economies that may be disrupted by the construction of HS2. BLEF grants are for local business support organisations and local authorities to help maintain business activity in local communities.

For more information about each of these funds, including how to apply, please visit: <https://www.groundwork.org.uk/hs2funds>

Keeping you informed

We are committed to keeping you informed about work on HS2. This includes ensuring you know what to expect and when to expect it, as well as how we can help you.

The Residents' Commissioner

The independent Residents' Commissioner oversees and monitors our commitments to you.

The commissioner's reports and our responses can be found at www.gov.uk/government/collections/hs2-ltd-residents-commissioner

The Residents' Commissioner makes sure we fulfil the commitments in the HS2 Community Engagement Strategy (<https://bit.ly/3oOA25j>).

The Residents' Commissioner can be contacted on: residentscommissioner@hs2.org.uk

Construction Commissioner

The independent Construction Commissioner regularly meets our Chief Executive Officer to raise any concerns or emerging trends across HS2.

The Construction Commissioner's role has been developed to monitor the way we manage and respond to construction complaints.

The commissioner mediates on disputes about construction, involving individuals and organisations, that we can't resolve. The commissioner advises members of the public about how to make a complaint about construction.

The Construction Commissioner can be contacted on: complaints@hs2-cc.org.uk
