

Notice of daytime lane closure A413 London Road, Wendover

May 2024 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain, if you have any questions or enquiries about our work, please contact our Helpdesk to find out more. You can sign up for regular updates in your local area at www.hs2inyourarea.co.uk.

What are we doing?

As we move to the next phase of construction of the Small Dean Viaduct, there will be lane closures in May for abnormal load deliveries to the A413 piers site. These deliveries will be for precast hammerhead units.

To carry out these deliveries safely, the lane closures will be under a 2-way temporary traffic light system. This is for safety reasons as our operatives will be working in and around the carriage way.

To reduce impact on road users, these traffic lights will be in operation at off-peak times.

When will these works take place?

These works are scheduled for the **daytime (off-peak) between 8:30am – 5pm** on the following dates:

- Friday 3 May
- Sunday 5 May

These dates may be subject to change due to circumstances outside of our control but works will be completed in or around the set timeframes.

If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email hs2enquiries@hs2.org.uk

Notification

Duration of works

Daytime lane closures between 8:30am – 5:30pm on the following dates:

- Friday 3 May
- Sunday 5 May

What to expect

Daytime lane closures on the A413 with two-way traffic lights

Various activities around the perimeter of the A413

What we will do

Respond promptly to any complaints we may receive and action accordingly.

Manage any environmental impacts, such as traffic and noise.

Take care to respect the community.

Small Dean Viaduct construction video

To help you understand exactly what work we will be carrying out around the A413 and why it is required, we have produced a video using our 4D design model demonstrating upcoming work for the construction of Small Dean Viaduct including road diversions and utility work.

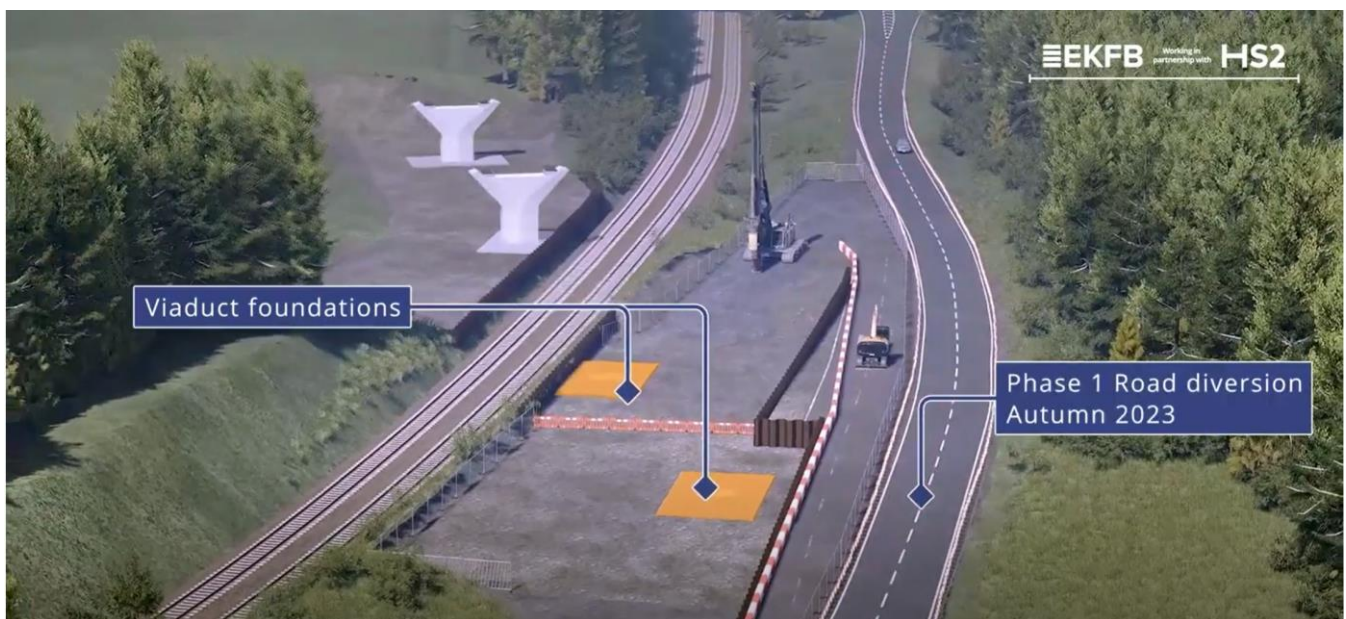

The annotations narrate each phase to keep you informed of what to expect over the coming months as work in the area ramps up. If you have any questions on the content of the video, please feel free to get in touch via the HS2 helpdesk.

The Small Dean Viaduct construction phase video can be accessed [here](#) or via the QR code.

Where is the phase 1 re-alignment?

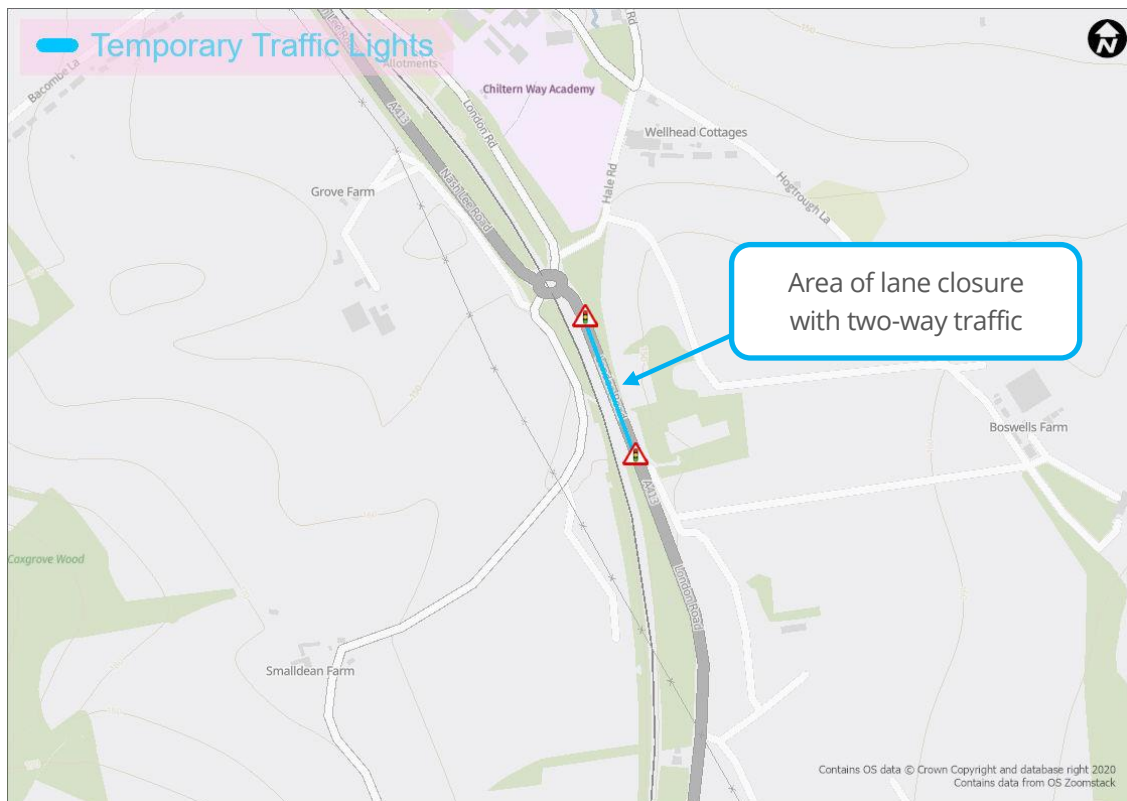

Below is the animated example of the diversion of the A413. You can see the original road and the piers to the left and the new temporary surface to the right.

Keeping you informed

We are committed to keeping you informed about work on HS2. This includes ensuring you know what to expect and when to expect it, as well as how we can help.

Residents' Charter and Commissioner

The Residents' Charter is our promise to communicate as clearly as we possibly can with people who live along or near the HS2 route.

www.gov.uk/government/publications/hs2-residents-charter

We also have an independent Residents' Commissioner whose job is to make sure we keep to the promises we make in the Charter and to keep it under constant review. Find reports at: www.gov.uk/government/collections/hs2-ltd-residents-commissioner

You can contact the Commissioner at: residentscommissioner@hs2.org.uk

Construction Commissioner

The Construction Commissioner's role is to mediate and monitor the way in which HS2 Ltd manages and responds to construction complaints. You can contact the Construction Commissioner by emailing:

complaints@hs2-cc.org.uk

Property and compensation

You can find out all about HS2 and properties along the line of route by visiting:

www.gov.uk/government/collections/hs2-property

Find out if you're eligible for compensation at:

www.gov.uk/claim-compensation-if-affected-by-hs2

Holding us to account

If you are unhappy for any reason you can make a complaint by contacting our HS2 Helpdesk team.

For more details on our complaints process, please visit our website:
