

Notice of Road Closure Addison Road, North Calvert

May 2024 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain. If you have any questions or enquiries about our work, please contact our Helpdesk to find out more. You can sign up for regular updates in your local area at www.hs2inyourarea.co.uk.

What are we doing?

Addison Road (from Steeple Claydon to Calvert Road) will be closed from 3 June 2024 until 22 August 2024. Addison Road will re-open to accommodate the Towersey Festival. This closure is in place to install the remaining parapets on Addison Road overbridge, install the vehicle restraint system, construct the permanent utility connections, and complete the permanent highway.

To carry out these works safely and effectively we have closed a section of Addison Road with signed diversions. This is for reasons of safety, as our operatives are working on and around the carriageway.

When will these works take place?

Addison Road will be closed from 3 June until 22 August 2024. A further closure will be required after the Towersey festival, details of which will be shared on a separate advanced works notice.

These dates may change due to conditions outside of our control, such as weather. Please refer to the HS2 website regularly to check for any changes and updates.

If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email hs2enquiries@hs2.org.uk
