

Notice of demolition works - Wycombe Line wingwall (east)

May 2024 | www.hs2.org.uk

Notification

High Speed Two (HS2) is the new high speed railway for Britain. BBVS is the contractor working on behalf of HS2 to construct the Old Oak

What are we doing

As we continue with the construction programme at Old Oak Common station site, we need to remove a Wycombe Line wingwall which is within the HS2 work site boundary and adjacent to Old Oak Common Lane.

The removal of the wingwall is required as part of the power cable diversion works which you have been informed about in Advance Notice Letter HS2-MW-BBVS-Ph1-OOC-St-S4-CR-31-24/02/2024 delivered on 13 May 2024.

The demolition of the Wycombe Line wingwall will take place between 8am and 5pm with an hour to set up and shut down on either side of these hours, from **3 June until 7 June 2024**.

The wingwall will be removed using handheld breakers, petrol saws and an excavator. To reduce the impact from these works we will use water to suppress dust and erect sound barriers and debris netting.

We will not require any traffic management for this phase of the works.

If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email hs2enquiries@hs2.org.uk

About our Community and Business Funds

We are offering two funds that are available to local communities and businesses between the West Midlands and London, to help with the disruption caused by our construction work. These are the Community and Environment Fund (CEF) and the Business and Local Economy Fund (BLEF).

The CEF is designed to give communities the opportunity to share in the benefits of HS2. It is an allocated fund that communities are able to apply for, to help to support local projects that aim to improve their local area.

The BLEF is designed to support local economies that may be disrupted by the construction of HS2. BLEF grants are for local business support organisations and local authorities to help maintain business activity in local communities.

For more information about each of these funds, including how to apply, please visit: <https://www.groundwork.org.uk/hs2funds>

Keeping you informed

We are committed to keeping you informed about work on HS2. This includes ensuring you know what to expect and when to expect it, as well as how we can help you.

The Residents' Commissioner

The independent Residents' Commissioner oversees and monitors our commitments to you.

The commissioner's reports and our responses can be found at www.gov.uk/government/collections/hs2-ltd-residents-commissioner

The Residents' Commissioner makes sure we fulfil the commitments in the HS2 Community Engagement Strategy (<https://bit.ly/3oOA25j>).

The Residents' Commissioner can be contacted on: residentscommissioner@hs2.org.uk

Construction Commissioner

The independent Construction Commissioner regularly meets our Chief Executive Officer to raise any concerns or emerging trends across HS2.

The Construction Commissioner's role has been developed to monitor the way we manage and respond to construction complaints.

The commissioner mediates on disputes about construction, involving individuals and organisations, that we can't resolve. The commissioner advises members of the public about how to make a complaint about construction.

The Construction Commissioner can be contacted on: complaints@hs2-cc.org.uk

Property and compensation
