

# Notice of lane and footway closures, A41

May 2024 | [www.hs2.org.uk](http://www.hs2.org.uk)

High Speed Two (HS2) is the new high speed railway for Britain. If you have any questions or enquiries about our work, please contact our Helpdesk to find out more. You can sign up for regular updates in your local area at [www.hs2inyourarea.co.uk](http://www.hs2inyourarea.co.uk).

## What are we doing?

In June, we will be continuing preparatory works ahead of our upcoming realignment of the A41. These works relate to utility connections around the points at which the new road will join the existing A41.

Along the A41 between Waddesdon and the Blackgrove Road/Waddesdon Hill Junction, there will be a lane closure managed by 2-way temporary traffic lights to enable gas and telecoms connections.

During this period the pedestrian footway on the verge will also be closed.

To reduce impact on road users, these traffic lights will be in operation at off-peak times and access will be maintained for residents along the A41.

## When will these works take place?

- Monday 3 June to Friday 22 July – lane closure managed by 2-way traffic lights from 9am-3pm with the exception of 11-14 July and 21 July when both lanes will be open
- Monday 3 June to Friday 22 July – footway closure, 24 hour

**\*These works were originally scheduled to be completed on Monday 24 June but have been delayed.**

These dates may change due to conditions outside of our control. Please refer to the HS2 website regularly to check for any changes and updates.
