

Notice of lane closures, A418 Oxford Road

May 2024 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain. If you have any questions or enquiries about our work, please contact our Helpdesk to find out more. You can sign up for regular updates in your local area at www.hs2inyourarea.co.uk.

What are we doing?

In May and early June, as part of our preparatory works for the realignment of the A418 we will be carrying out utility works in the areas where the new piece of road will join the existing A418.

We will be carrying out trial hole works to locate underground utilities. These works are essential to enable utility connections to take place. During these works there will be temporary traffic lights managing alternating lane closures.

When will these works take place?

- **Saturday 25 to Sunday 26 May – single lane closure managed by 3-way traffic lights, 24 hours**
- **Saturday 1 to Sunday 2 June – single lane closure managed by 3-way traffic lights, 24 hours**
- **Monday 3 to Thursday 6 June – off-peak single lane closure managed by 2-way traffic lights, 9:30am – 3pm**

These dates may change due to conditions outside of our control. Please refer to the HS2 website regularly to check for any changes and updates.

If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email hs2enquiries@hs2.org.uk
