

Old Oak Common Lane Traffic Update

May 2024 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain. BBVS is the contractor working on behalf of HS2 to construct the Old Oak Common station.

What are we doing?

Following the April traffic newsletter, we are writing to provide an update regarding the traffic management changes in the area directly south of the Old Oak Common Lane Bridge, specifically outside Minsters and Walking on Wood opposite the Hitachi depot. The revised plan, set to be in place from 13 May to 23 June, is crucial for facilitating the next phase of trial holes conducted by Thames Water.

Efforts to minimise disruption to both Minsters and Walking on Wood have led to careful modifications. There will be introduction of an "All Red" policy for the temporary traffic lights, this change has been agreed with the local highway authority. This is designed to control the flow of large vehicles making deliveries to these businesses and is specific to lorries turning into these businesses and does not apply to Heavy Goods Vehicles (HGVs) attending the station site. Under the "All Red" policy, a temporary halt of both lanes of traffic allows large vehicles, which cannot turn into the sites as usual due to the trial holes near business entrances, to safely enter the site through the triangle compound, proceeding to their destinations. Operatives will manage these temporary stops in traffic, ensuring safety and minimal disruption.

We appreciate your understanding during this period of necessary adjustments to ensure the safe and efficient operation of Minsters and Walking on Wood. Please refer to the map on page 2 for the placement of the temporary traffic lights.

If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email hs2enquiries@hs2.org.uk

Notification

Duration of works

Monday 13 May –
Saturday 23 June

What to expect

Temporary traffic lights will be in use.

Northbound footpath closure for the duration of works.

Periods of interrupted traffic flow during delivery times.

What we will do

Staff will be on hand during the operational hours to safely manage the arrivals and departures of heavy goods vehicles whilst managing traffic flow in the neighbourhood.

Our team is here to listen and respond to your enquiry, complaint or feedback to help us be a good neighbour.

You can contact our Helpdesk team all day, every day of the year on:

Freephone: **08081 434 434**

Minicom: **08081 456 472**

Email: hs2enquiries@hs2.org.uk

Keep up-to-date with your local community website

To find out more about what's happening in your area and receive regular email updates, you can sign up to our local community websites at: www.hs2inyourarea.co.uk.

About our Community and Business Funds

We are offering two funds that are available to local communities and businesses between the West Midlands and London, to help with the disruption caused by our construction work. These are the Community and Environment Fund (CEF) and the Business and Local Economy Fund (BLEF).

The CEF is designed to give communities the opportunity to share in the benefits of HS2. It is an allocated fund that communities are able to apply for, to help to support local projects that aim to improve their local area.

The BLEF is designed to support local economies that may be disrupted by the construction of HS2. BLEF grants are for local business support organisations and local authorities to help maintain business activity in local communities.

For more information about each of these funds, including how to apply, please visit: <https://www.groundwork.org.uk/hs2funds>

Keeping you informed

We are committed to keeping you informed about work on HS2. This includes ensuring you know what to expect and when to expect it, as well as how we can help you.

The Residents' Commissioner

The independent Residents' Commissioner oversees and monitors our commitments to you.

The commissioner's reports and our responses can be found at www.gov.uk/government/collections/hs2-ltd-residents-commissioner

The Residents' Commissioner makes sure we fulfil the commitments in the HS2 Community Engagement Strategy (<https://bit.ly/3oOA25j>).

The Residents' Commissioner can be contacted on: residentscommissioner@hs2.org.uk

Construction Commissioner

The independent Construction Commissioner regularly meets our Chief Executive Officer to raise any concerns or emerging trends across HS2.

The Construction Commissioner's role has been developed to monitor the way we manage and respond to construction complaints.

The commissioner mediates on disputes about construction, involving individuals and organisations, that we can't resolve. The commissioner advises members of the public about how to make a complaint about construction.

The Construction Commissioner can be contacted on: complaints@hs2-cc.org.uk

Property and compensation

You can find out about HS2 and properties along the route by visiting:

www.gov.uk/government/collections/hs2-property

Find out if you can claim compensation at:

www.gov.uk/claim-compensation-if-affected-by-hs2

Holding us to account

If you are unhappy for any reason you can make a complaint by contacting the HS2 Helpdesk. For more details on our complaints process, please visit:
