

Notice of A47 Saltley roundabout and Nechells Place utility surveys with lane closures

June 2024 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain. Balfour Beatty VINCI (BBV) is working in partnership with HS2 Ltd to build the new railway in your area.

A47 Saltley roundabout and Nechells Place utility surveys with lane closures

We will be carrying out utility trial hole surveys on the A47 roundabout and Nechells Place starting on 1 July with an expected completion date of 19 July 2024.

To complete the utility trial hole inspections, we will use a vacuum excavator, which uses compressed air to loosen or agitate the ground. The loosened material is then removed using the vacuum on the machine creating a hole. At times we will also use hand digging tools to excavate the trial holes. Once the surveys are carried out, we will backfill and reinstate all the trial holes.

These surveys will help us to plan where utility diversions will be required as we continue to construct the railway in Birmingham.

Lane closures

To enable us to carry out these works safely and effectively, we will need to put in place temporary traffic management. We will need to close one lane northbound on the A47 Saltley Viaduct roundabout, and also close one lane at Nechells Place.

If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email hs2enquiries@hs2.org.uk

About our Community and Business Funds

We are offering two funds that are available to local communities and businesses between the West Midlands and London, to help with the disruption caused by our construction work. These are the Community and Environment Fund (CEF) and the Business and Local Economy Fund (BLEF).

The CEF is designed to give communities the opportunity to share in the benefits of HS2. It is an allocated fund that communities are able to apply for, to help to support local projects that aim to improve their local area.

The BLEF is designed to support local economies that may be disrupted by the construction of HS2. BLEF grants are for local business support organisations and local authorities to help maintain business activity in local communities.

For more information about each of these funds, including how to apply, please visit: <https://www.groundwork.org.uk/hs2funds>

Keeping you informed

We are committed to keeping you informed about work on HS2. This includes ensuring you know what to expect and when to expect it, as well as how we can help you.

The Residents' Commissioner

The independent Residents' Commissioner oversees and monitors our commitments to you.

The commissioner's reports and our responses can be found at www.gov.uk/government/collections/hs2-ltd-residents-commissioner

The Residents' Commissioner makes sure we fulfil the commitments in the HS2 Community Engagement Strategy (<https://bit.ly/3oOA25j>).

The Residents' Commissioner can be contacted on: residentscommissioner@hs2.org.uk

Construction Commissioner

The independent Construction Commissioner regularly meets our Chief Executive Officer to raise any concerns or emerging trends across HS2.

The Construction Commissioner's role has been developed to monitor the way we manage and respond to construction complaints.

The commissioner mediates on disputes about construction, involving individuals and organisations, that we can't resolve. The commissioner advises members of the public about how to make a complaint about construction.

The Construction Commissioner can be contacted on: complaints@hs2-cc.org.uk

Property and compensation
