

Notice of traffic management for verge maintenance, Nash Lee Lane and Nash Lee Road

June 2024 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain. If you have any questions or enquiries about our work, please contact our Helpdesk to find out more. You can sign up for regular updates in your local area at www.hs2inyourarea.co.uk.

What are we doing?

In summer 2024 we will be carrying out a utility diversion in the Nash Lee area. To facilitate these works, we will be doing verge maintenance, intermittent grass cutting and localised de-vegetation. Temporary multiway traffic lights with a lane closure will be in place on Nash Lee Lane and Nash Lee Road near the roundabout.

To minimise the impact of these operations, these works will take place between 9.00am and 3.00pm. To facilitate this lane closure, we will have multiway traffic lights along Nash Lee Road and at the roundabout.

To protect the safety of our team working close to the carriageway we will close one side of Nash Lee Lane during our operations. On Nash Lee Road we will close either the southbound or northbound lane during our works.

When will these works take place?

- **Nash Lee Lane: Monday 17 and Tuesday 18 June (9.00am - 3.00pm)**
- **Wednesday 19 June – Friday 21 June (9.00am – 3.00pm)**

These dates are subject to change due to circumstances beyond our control but will be completed in or around the anticipated time schedules. Should we finish the works early, the traffic management will be removed.

If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email hs2enquiries@hs2.org.uk
