

Notice of increased construction traffic crossing Attleboro Lane

June 2024 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain. HS2's contractor Balfour Beatty VINCI (BBV) is constructing 90km of HS2 between Long Itchington in Warwickshire to the centre of Birmingham and on to Staffordshire.

Works near to Attleboro Lane

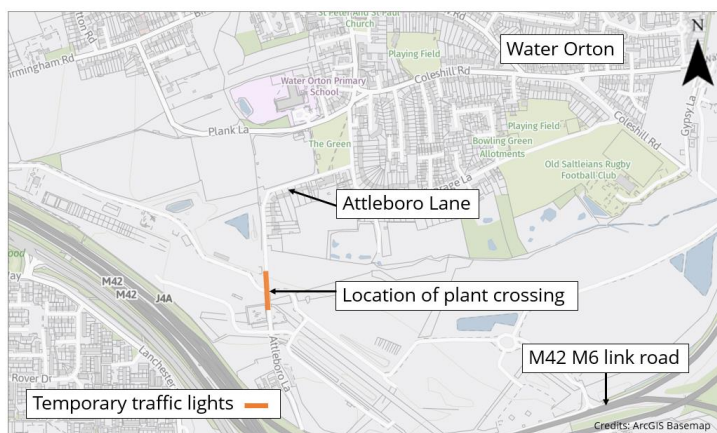

As part of our works to build the Bromford tunnel, which is a 3.5 mile (5.6km) twin-bore tunnel designed to take trains underground between Water Orton in North Warwickshire and Washwood Heath in Birmingham, construction traffic will operate 24 hours a day, seven days a week on Attleboro Lane plant crossing and associated haul roads.

What are we doing?

The Bromford Tunnel Boring Machines will remove a significant amount of material from what will be the new tunnel. As a result, we are using LGVs to move that displaced material, which is the reason for the increase in construction traffic using the haul road and plant crossing.

What does this mean for you?

From Wednesday 10 July, there will be increased construction traffic crossing Attleboro Lane. Temporary traffic management will be controlled by the traffic lights located at the plant crossing. Access to residents will be maintained throughout.

If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email hs2enquiries@hs2.org.uk

Keeping you informed

We are committed to keeping you informed about work on HS2. This includes ensuring you know what to expect and when to expect it, as well as how we can help you.

The Residents' Commissioner

The independent Residents' Commissioner oversees and monitors our commitments to you.

The commissioner's reports and our responses can be found at www.gov.uk/government/collections/hs2-ltd-residents-commissioner

The Residents' Commissioner makes sure we fulfil the commitments in the HS2 Community Engagement Strategy (<https://bit.ly/3oOA25j>).

The Residents' Commissioner can be contacted on: residentscommissioner@hs2.org.uk

Construction Commissioner

The independent Construction Commissioner regularly meets our Chief Executive Officer to raise any concerns or emerging trends across HS2.

The Construction Commissioner's role has been developed to monitor the way we manage and respond to construction complaints.

The commissioner mediates on disputes about construction, involving individuals and organisations, that we can't resolve. The commissioner advises members of the public about how to make a complaint about construction.

The Construction Commissioner can be contacted on: complaints@hs2-cc.org.uk
