

Notice of temporary traffic lights on A45 East Way - Bickenhill

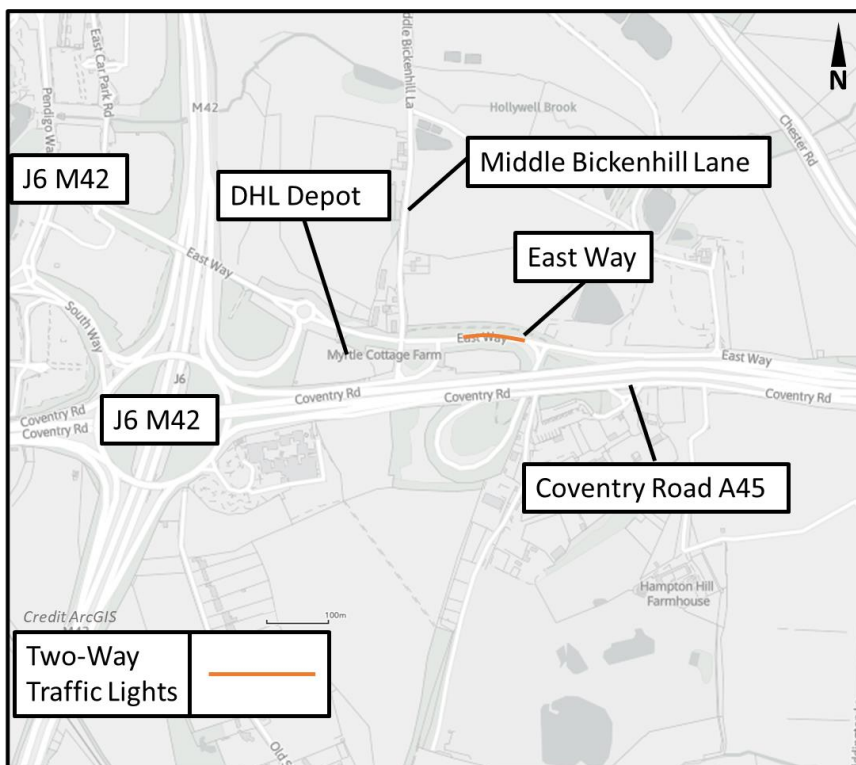

June 2024 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain. Balfour Beatty VINCI (BBV) is working in partnership with HS2 Ltd to build the new high-speed railway in your area.

The work we are doing

The new railway will pass under the A45 as it approaches the new interchange station. This requires significant work to the road and its adjoining slip road known as 'East Way'. Before these works can take place, a number of utilities need to be moved and diverted to make sure that our works do not have an impact on the supply. To do this safely we will need to install temporary traffic lights between 1 July until 26 July. The lights will only be operational between 8:00am and 6:00pm Monday to Friday.

Location Plan

Duration of works

Temporary traffic lights in operation between 1 July to 26 July. The lights will only be operational between 8:00am and 6:00pm Monday to Friday.

What to expect

Slightly longer journey times.

A fully signed diversion.
