

Updated notice of temporary lane closures on Faraday Avenue

July 2024 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain. Balfour Beatty VINCI (BBV) is working in partnership with HS2 Ltd to build the new high-speed railway in your area.

The work we will do

As we progress with construction of the temporary diversion of Faraday Avenue, we wanted to provide you with an update on what further works are required to complete the next stages of this key activity, which will facilitate the building of HS2 structures in this location.

For the next stage of our works, we have installed a temporary contraflow system for a period of one week. This will be in place for 24 hours per day and will be reviewed, after which this may be in place for a longer period. During this period all traffic will use the Westbound carriageway whilst both Eastbound lanes are closed. This will be in place until 19 July and should this remain in place we will update you with a further communication.

When the work will take place

We will close two lanes on the Eastbound carriageway and direct all traffic into a two-way system on the Westbound carriageway, as follows:

- **15 July** until **19 July 2024** for 24 hours per day (Monday to Friday).

Access will be maintained for pedestrians.

If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email hs2enquiries@hs2.org.uk

About our Community and Business Funds

We are offering two funds that are available to local communities and businesses between the West Midlands and London, to help with the disruption caused by our construction work. These are the Community and Environment Fund (CEF) and the Business and Local Economy Fund (BLEF).

The CEF is designed to give communities the opportunity to share in the benefits of HS2. It is an allocated fund that communities are able to apply for, to help to support local projects that aim to improve their local area.

The BLEF is designed to support local economies that may be disrupted by the construction of HS2. BLEF grants are for local business support organisations and local authorities to help maintain business activity in local communities.

For more information about each of these funds, including how to apply, please visit: <https://www.groundwork.org.uk/hs2funds>

Notification

Keeping you informed

We are committed to keeping you informed about work on HS2. This includes ensuring you know what to expect and when to expect it, as well as how we can help you.

The Residents' Commissioner

The independent Residents' Commissioner oversees and monitors our commitments to you.

The commissioner's reports and our responses can be found at www.gov.uk/government/collections/hs2-ltd-residents-commissioner

The Residents' Commissioner makes sure we fulfil the commitments in the HS2 Community Engagement Strategy (<https://bit.ly/3oOA25j>).

The Residents' Commissioner can be contacted on: residentscommissioner@hs2.org.uk

Construction Commissioner

The independent Construction Commissioner regularly meets our Chief Executive Officer to raise any concerns or emerging trends across HS2.

The Construction Commissioner's role has been developed to monitor the way we manage and respond to construction complaints.

The commissioner mediates on disputes about construction, involving individuals and organisations, that we can't resolve. The commissioner advises members of the public about how to make a complaint about construction.

The Construction Commissioner can be contacted on: complaints@hs2-cc.org.uk

Property and compensation
