

## Road closure of Leather Lane, Buckinghamshire, for temporary traffic light installation

June 2024 | [www.hs2.org.uk](http://www.hs2.org.uk)

High Speed Two (HS2) is the new high speed railway for Britain. This notice is to inform you about a temporary road closure on Leather Lane, near Great Missenden / The Lee.

### How will these works affect you?

Leather Lane will be temporarily closed to traffic from 8am to 4pm for one day, after which the traffic management will be removed.

Traffic will be diverted via Potter Row, Frith Hill, and Aylesbury Road (A413) during the closure. Please see the map on page 2.

The farmer's access will be maintained.

### What will we be doing?

A small team will be visible in the highway whilst they carry out strimming of vegetation in the verges and trimming of protruding branches. They will then replace the established traffic lights on Leather Lane used in conjunction with the internal temporary access road, like for like.

### HS2 commitments

HS2 has a commitment to Buckinghamshire Council which states that Leather Lane cannot be closed at the same time as Rocky Lane and Bowood Lane, unless the requirements have met the reasonably practicable request.

It is not safe to for our operatives to work in the single lane highway with live traffic. Leather Lane must be temporarily closed to traffic and cyclists while these works take place. This has been permitted and agreed by Buckinghamshire Council.

We apologise for any inconvenience that these works may cause to local residents and businesses. We will do everything we can to ensure that the works are completed on time and will lift the road closure as soon as we are able to.

**If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email [hs2enquiries@hs2.org.uk](mailto:hs2enquiries@hs2.org.uk)**

### Duration of works

Saturday 6 July 2024  
from 8am to 4pm

### What to expect

- Road closure on Leather Lane between Aylesbury Road and Potter Row
- Fully signed diversion route via Potter Row, Frith Hill South Heath Leg, and the A413
- Operatives visible and working in the area

### What we will do

- Keep you updated if our plans change
- Inform local Parish Councils, village associations and residents
- Maintain existing agricultural access from the western side of Leather Lane

## About our Community and Business Funds

We are offering two funds that are available to local communities and businesses between the West Midlands and London, to help with the disruption caused by our construction work. These are the Community and Environment Fund (CEF) and the Business and Local Economy Fund (BLEF).

The CEF is designed to give communities the opportunity to share in the benefits of HS2. It is an allocated fund that communities are able to apply for, to help to support local projects that aim to improve their local area.

The BLEF is designed to support local economies that may be disrupted by the construction of HS2. BLEF grants are for local business support organisations and local authorities to help maintain business activity in local communities.

For more information about each of these funds, including how to apply, please visit: <https://www.groundwork.org.uk/hs2funds>

# Keeping you informed

We are committed to keeping you informed about work on HS2. This includes ensuring you know what to expect and when to expect it, as well as how we can help you.

## The Residents' Commissioner

The independent Residents' Commissioner oversees and monitors our commitments to you.

The commissioner's reports and our responses can be found at [www.gov.uk/government/collections/hs2-ltd-residents-commissioner](http://www.gov.uk/government/collections/hs2-ltd-residents-commissioner)

The Residents' Commissioner makes sure we fulfil the commitments in the HS2 Community Engagement Strategy (<https://bit.ly/3oOA25j>).

The Residents' Commissioner can be contacted on: [residentscommissioner@hs2.org.uk](mailto:residentscommissioner@hs2.org.uk)

## Construction Commissioner

The independent Construction Commissioner regularly meets our Chief Executive Officer to raise any concerns or emerging trends across HS2.

The Construction Commissioner's role has been developed to monitor the way we manage and respond to construction complaints.

The commissioner mediates on disputes about construction, involving individuals and organisations, that we can't resolve. The commissioner advises members of the public about how to make a complaint about construction.

The Construction Commissioner can be contacted on: [complaints@hs2-cc.org.uk](mailto:complaints@hs2-cc.org.uk)
