

Installation of a new temporary site office at South Heath, Buckinghamshire

June 2024 www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain. This notice is to inform you that we will be setting up a temporary works compound and office next to the railway to facilitate our South Heath cutting earthworks.

What will we be doing and why?

A small team will be visible and working in the area whilst they set up welfare facilities, storage area, and a small car park. This is in readiness for us to begin piling works and earthworks movements for the South Heath cutting and adjacent landscaping. We will write to you with further information about this within the next few weeks.

The new compound will only be required for the duration of our works to landscape the area around the trace. The structure will consist of two floors and care will be taken to ensure that lighting and site security will be carefully controlled to reduce the impacts of this new compound.

The office will be used by up to 20 engineers and operatives.

What access route will you use?

Vehicles will use the A413 to Great Missenden, enter the North Portal access point, and will continue to the compound area using our already established temporary internal access road.

Where can I find out more information about this?

We will be hosting two events in early July 2024 where you can come and meet the engagement team and contractors and speak to us about our works in the area. Please join us on:

- 10 and 18 July 2024
- Great Missenden Memorial Hall, Link Road, Great Missenden
- 3pm to 7pm

Staff members from main works contractors, EKFB, will also be in attendance.

If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email hs2enquiries@hs2.org.uk

Duration of works

8 July for approx. 4 to 6 weeks from 8am to 6pm Monday to Friday. We don't anticipate working Saturday's but may do so occasionally

What to expect

- Plant and machinery in the area
- Delivery and set up of site welfare cabins
- Operatives visible and working in the area

What we will do

- Invite you to learn more about this on 10 July at Great Missenden Memorial Hall from 3pm – 7pm
- Inform local Parish Councils, village associations and residents
- Keep you updated if our plans change

About our Community and Business Funds

We are offering two funds that are available to local communities and businesses between the West Midlands and London, to help with the disruption caused by our construction work. These are the Community and Environment Fund (CEF) and the Business and Local Economy Fund (BLEF).

The CEF is designed to give communities the opportunity to share in the benefits of HS2. It is an allocated fund that communities are able to apply for, to help to support local projects that aim to improve their local area.

The BLEF is designed to support local economies that may be disrupted by the construction of HS2. BLEF grants are for local business support organisations and local authorities to help maintain business activity in local communities.

For more information about each of these funds, including how to apply, please visit: <https://www.groundwork.org.uk/hs2funds>

Keeping you informed

We are committed to keeping you informed about work on HS2. This includes ensuring you know what to expect and when to expect it, as well as how we can help you.

The Residents' Commissioner

The independent Residents' Commissioner oversees and monitors our commitments to you.

The commissioner's reports and our responses can be found at www.gov.uk/government/collections/hs2-ltd-residents-commissioner

The Residents' Commissioner makes sure we fulfil the commitments in the HS2 Community Engagement Strategy (<https://bit.ly/3oOA25j>).

The Residents' Commissioner can be contacted on: residentscommissioner@hs2.org.uk

Construction Commissioner

The independent Construction Commissioner regularly meets our Chief Executive Officer to raise any concerns or emerging trends across HS2.

The Construction Commissioner's role has been developed to monitor the way we manage and respond to construction complaints.

The commissioner mediates on disputes about construction, involving individuals and organisations, that we can't resolve. The commissioner advises members of the public about how to make a complaint about construction.

The Construction Commissioner can be contacted on: complaints@hs2-cc.org.uk

Property and compensation
