

# Update: Utility works on Eastcote Lane, Northolt

June 2024 | [www.hs2.org.uk](http://www.hs2.org.uk)

High Speed Two (HS2) is the new high speed railway for Britain. You can sign up for regular updates in your local area at [www.hs2inbrentandealing.co.uk](http://www.hs2inbrentandealing.co.uk)

## What we are doing

We wrote to you in early June to update you on our utility protection works on Eastcote Lane. These works were due to be completed by 28 June 2024.

We are currently reinstating the road and are **now due to complete the works by 6 July 2024**.

The works on Moat Farm Road and the south side of Eastcote Lane are now complete. We are finalising the works outside the church and neighbouring houses.

We will continue to work Monday to Saturday, 8am to 6pm, with less disruptive works taking place after 1pm on Saturday.

## How these works might affect you

We will be using excavators and an excavation vacuum lorry to remove waste material. We expect that these works will create some noise. We will be using noise reducing barriers to minimise disruption.

Bus routes using Eastcote Lane bridge will continue to be diverted via Mandeville Road.

We would like to apologise for any disruption or inconvenience the extension of these works may cause.

**If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email [hs2enquiries@hs2.org.uk](mailto:hs2enquiries@hs2.org.uk)**

## About our Community and Business Funds

We are offering two funds that are available to local communities and businesses between the West Midlands and London, to help with the disruption caused by our construction work. These are the Community and Environment Fund (CEF) and the Business and Local Economy Fund (BLEF).

The CEF is designed to give communities the opportunity to share in the benefits of HS2. It is an allocated fund that communities are able to apply for, to help to support local projects that aim to improve their local area.

The BLEF is designed to support local economies that may be disrupted by the construction of HS2. BLEF grants are for local business support organisations and local authorities to help maintain business activity in local communities.

For more information about each of these funds, including how to apply, please visit: <https://www.groundwork.org.uk/hs2funds>
