

Notice of overnight closure of the A446 Lichfield Road, Coleshill

July 2024 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain. Balfour Beatty VINCI (BBV) is working in partnership with HS2 Ltd to build the new high-speed railway in your area.

The work we will be doing

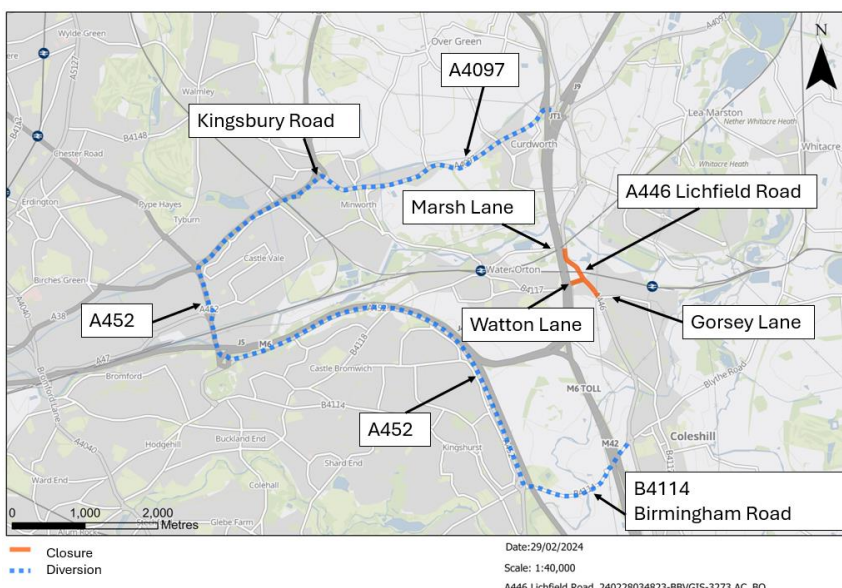

To continue our preparation for the construction of the HS2 railway, we will be undertaking works to install safety barriers along the southbound carriageway of the A446 Lichfield Road. To enable us to install the barriers we will close the A446 overnight for one night only. Once the barriers are in place, the inside lane will be closed 24 hours a day, 7 days a week until August 2026.

When the work will take place

To complete these works safely, we will install an overnight road closure of the A446 Lichfield Road between junctions of Gorsey Lane, Watton Lane and Marsh Lane in both directions. The works will take place from 8pm on Monday 12 August to 5am on Tuesday 13 August

Where we will be working

See below map detailing the closure and approved diversion route.
