

Notice of vegetation trimming next to railway tracks, Ealing

February 2025 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain.

What we are doing

Throughout 2025 we will trim low-level vegetation next to the railway tracks between North Acton and Northolt Stations, when necessary.

Our team will return at intervals throughout the year, to keep vegetation trimmed. This is to ensure that visibility for monitoring equipment is clear at all times. During the summer this work may be weekly.

We do not expect these works to cause any disturbance to local residents.

The map below shows the location of these works.

If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email hs2enquiries@hs2.org.uk
