

Atlas Road closure for Thames Water weekend works

July 2024 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain.

Saturday road closure on Atlas Road

From 8am on 3 August to 8am on 5 August 2024, Thames Water will be carrying out scheduled essential works on Atlas Road.

To ensure the safety of their operatives and the local community, Atlas Road will be closed with a traffic management system in place to direct the traffic, whilst the works are being carried out.

These works are not related to any HS2 works in the area.

To support the transportation needs for the local community, SCSJV have made special arrangements that will allow buses to operate to and from the Atlas Road RATP bus depot.

Buses will be permitted to take alternative routes via Channel Gate Road, our Willesden Euroterminal and Atlas Road sites and via Atlas Road. This one-way diversion will help facilitate bus movements and minimise disruptions caused by the road closure.

During these works some SCSJV lorries will temporarily be using site Gate A for access on Victoria Road. We will be using additional traffic marshals on site to help facilitate the movement and help minimise any disruption.

If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email hs2enquiries@hs2.org.uk

About our Community and Business Funds

We are offering two funds that are available to local communities and businesses between the West Midlands and London, to help with the disruption caused by our construction work. These are the Community and Environment Fund (CEF) and the Business and Local Economy Fund (BLEF).

The CEF is designed to give communities the opportunity to share in the benefits of HS2. It is an allocated fund that communities are able to apply for, to help to support local projects that aim to improve their local area.

The BLEF is designed to support local economies that may be disrupted by the construction of HS2. BLEF grants are for local business support organisations and local authorities to help maintain business activity in local communities.

For more information about each of these funds, including how to apply, please visit: <https://www.groundwork.org.uk/hs2funds>

Keeping you informed

We are committed to keeping you informed about work on HS2. This includes ensuring you know what to expect and when to expect it, as well as how we can help you.

The Residents' Commissioner

The independent Residents' Commissioner oversees and monitors our commitments to you.

The commissioner's reports and our responses can be found at www.gov.uk/government/collections/hs2-ltd-residents-commissioner

The Residents' Commissioner makes sure we fulfil the commitments in the HS2 Community Engagement Strategy (<https://bit.ly/3oOA25j>).

The Residents' Commissioner can be contacted on: residentscommissioner@hs2.org.uk

Construction Commissioner

The independent Construction Commissioner regularly meets our Chief Executive Officer to raise any concerns or emerging trends across HS2.

The Construction Commissioner's role has been developed to monitor the way we manage and respond to construction complaints.

The commissioner mediates on disputes about construction, involving individuals and organisations, that we can't resolve. The commissioner advises members of the public about how to make a complaint about construction.

The Construction Commissioner can be contacted on: complaints@hs2-cc.org.uk

Property and compensation
