

Update: utility works on Greenford Road and Oldfield Lane North, Ealing

July 2024 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain.

Greenford Road works

We wrote to you earlier this month to tell you that we are in the final stages of our work on Greenford Road. During the last test on the disabled gas main, we detected an unrecorded gas connection. We are now doing additional work to decommission this unused connection before we can fully complete the works.

Due to this, the four-way traffic lights at the junction of Rockware Avenue and Greenford Road will remain until **18 August 2024**.

The lane closure in place on Greenford Road, between Green Park Way and Rockware Avenue, will remain until **25 August 2024**. Two-way traffic will be in place under a contraflow system from 19 to 25 August 2024.

Please note that Thames Water will be carrying out further utility works on Greenford Road and will start after the temporary traffic lights at the junction have been removed.

We apologise for the disruption this further delay may cause.

Overnight road closure on Rockware Avenue

To support the transition of works from Greenford Road to Oldfield Lane North, we will close Rockware Avenue between Greenford Road and Oldfield Lane North overnight on **18 August 2024** from 10pm to 2am. A clearly signposted diversion route will be in place. Date and times are subject to change.

If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email hs2enquiries@hs2.org.uk

About our Community and Business Funds

We are offering two funds that are available to local communities and businesses between the West Midlands and London, to help with the disruption caused by our construction work. These are the Community and Environment Fund (CEF) and the Business and Local Economy Fund (BLEF).

The CEF is designed to give communities the opportunity to share in the benefits of HS2. It is an allocated fund that communities are able to apply for, to help to support local projects that aim to improve their local area.

The BLEF is designed to support local economies that may be disrupted by the construction of HS2. BLEF grants are for local business support organisations and local authorities to help maintain business activity in local communities.

For more information about each of these funds, including how to apply, please visit: <https://www.groundwork.org.uk/hs2funds>

Keeping you informed

We are committed to keeping you informed about work on HS2. This includes ensuring you know what to expect and when to expect it, as well as how we can help you.

The Residents' Commissioner

The independent Residents' Commissioner oversees and monitors our commitments to you.

The commissioner's reports and our responses can be found at www.gov.uk/government/collections/hs2-ltd-residents-commissioner

The Residents' Commissioner makes sure we fulfil the commitments in the HS2 Community Engagement Strategy (<https://bit.ly/3oOA25j>).

The Residents' Commissioner can be contacted on: residentscommissioner@hs2.org.uk

Construction Commissioner

The independent Construction Commissioner regularly meets our Chief Executive Officer to raise any concerns or emerging trends across HS2.

The Construction Commissioner's role has been developed to monitor the way we manage and respond to construction complaints.

The commissioner mediates on disputes about construction, involving individuals and organisations, that we can't resolve. The commissioner advises members of the public about how to make a complaint about construction.

The Construction Commissioner can be contacted on: complaints@hs2-cc.org.uk
