Update: extended working hours for utility works on A40 Western Avenue

July 2024 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain.

Extended working hours

We are currently working to protect and upgrade the gas main below the A40 Western Avenue between Alperton Lane and Hanger Lane Gyratory.

In order to work as efficiently as possible, we will work extended hours from Wednesday 31 July 2024. We currently work from 8am to 6pm Monday to Friday and 8am to 1pm Saturday.

The new times will be from **8am to 10pm Monday to Sunday**.

We would like to apologise for the disruption or inconvenience these works may cause.

Overnight slip road closure

Due to phase changes, on **Wednesday 31 July, from 11pm to 5am** the Westbound entry slip road will be closed from Hanger Lane.

During these hours, traffic will be diverted east onto the A40 up to Gypsy Corner and returned through the tunnel back towards Hanger Lane.

We will continue working with utility providers, Transport for London and Ealing Council to coordinate works on the local road network, wherever possible.

If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email hs2enquiries@hs2.org.uk
