Update on drainage cleaning at Mandeville Road Vent Shaft

July 2024 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain.

You can sign up for regular updates in your local area at www.hs2inbrentandealing.co.uk

Further On-site drainage cleaning

From **7am to 5pm on 3, 4, 10 and 11 August** we need to do further cleaning of the on-site drainage system at our Mandeville Road site. We will use high pressure water jetting equipment and a bulk tanker for waste disposal.

It is essential that the drainage is regularly maintained to clear and avoid any blockages. Due to the location of the drainage, we need to clean the drains when other works are not taking place on site.

The location of these works is in the south of the site, see image below.

We would like to apologise for any disruption or inconvenience this may cause. Every effort is being taken to ensure that these works are carried out in the least impactful way.

If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email hs2enquiries@hs2.org.uk
