

## Notice of Drainage work on the B4118, Birmingham Road

October 2024 | [www.hs2.org.uk](http://www.hs2.org.uk)

### Notification

High Speed Two (HS2) is the new high speed railway for Britain. We are writing to make you aware of the next stage of work that will be undertaken by National Grid that is related to HS2.

### What are we doing

In order to complete construction of new 132Kv Substation (Bromford BSP) National Grid Electricity Distribution (NGED) are installing a drain to serve the facility, for removal of excess rainwater. Once installed, this shall be fully adopted and maintained by Severn Trent Water and shall connect into their existing infrastructure on **Birmingham Road** on the B4118.

NGED will have a specialist team working on the B4118 within each prescribed sections, starting with section 1 through to section 7 (see detail on next page), working towards the Substation. Works shall start at the village end moving towards the substation. Whilst the substation is initially feeding HS2 construction needs, capacity could be available in the future to support local industry/housing plus assist in the future of the governments Net Zero Targets.

### How will this affect me?

- Minimal impact to the local area, access to property frontages shall be maintained throughout the works.
- Temporary bus stops shall be located close to the existing stop, then removed once that section of works is complete and normal stop service continues.
- Temporary traffic lights shall be installed at each section of works, and move as the work progresses.
- Traffic Lights shall be manually operated at peak times to avoid significant build-up of traffic in either direction.

### Duration of works

The works will continue on 4 November 2024 with completion by 20 December 2024

### About our Community and Business Funds

We are offering two funds that are available to local communities and businesses between the West Midlands and London, to help with the disruption caused by our construction work. These are the Community and Environment Fund (CEF) and the Business and Local Economy Fund (BLEF).

The CEF is designed to give communities the opportunity to share in the benefits of HS2. It is an allocated fund that communities are able to apply for, to help to support local projects that aim to improve their local area.

The BLEF is designed to support local economies that may be disrupted by the construction of HS2. BLEF grants are for local business support organisations and local authorities to help maintain business activity in local communities.

For more information about each of these funds, including how to apply, please visit: <https://www.groundwork.org.uk/hs2funds>

## Keeping you informed

We are committed to keeping you informed about work on HS2. This includes ensuring you know what to expect and when to expect it, as well as how we can help.

### Residents' Charter and Commissioner

The Residents' Charter is our promise to communicate as clearly as we possibly can with people who live along or near the HS2 route. [www.gov.uk/government/publications/hs2-residents-charter](http://www.gov.uk/government/publications/hs2-residents-charter)

We also have an independent Residents' Commissioner whose job is to make sure we keep to the promises we make in the Charter and to keep it under constant review. Find reports at: [www.gov.uk/government/collections/hs2-ltd-residents-commissioner](http://www.gov.uk/government/collections/hs2-ltd-residents-commissioner)

You can contact the Commissioner at: [residentscommissioner@hs2.org.uk](mailto:residentscommissioner@hs2.org.uk)

### Construction Commissioner

The Construction Commissioner's role is to mediate and monitor the way in which HS2 Ltd manages and responds to construction complaints. You can contact the Construction Commissioner by emailing: [complaints@hs2-cc.org.uk](mailto:complaints@hs2-cc.org.uk)
