

Notice of emergency utility works on Gate Street

July 2024 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain. Balfour Beatty VINCI (BBV) is working in partnership with HS2 Ltd to build the new railway in your area.

Emergency Utility Works on Gate Street

We need to carry out emergency works on a BT utility box located on Gate Street. To complete these repairs, we will be using light machinery along the footpath. We do not expect these works to cause high levels of noise or any impact to traffic. We will be carrying out the repairs from 6 July to 7 July 2024.

Footpath Diversion

To enable us to carry out these works safely and effectively, we will need to put in place a temporary footpath diversion along a section of Gate Street that leads to Washwood Heath Road. The map below shows the short footpath diversion.

If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email hs2enquiries@hs2.org.uk
