

Notice of piling works by the A38 at Streethay

July 2024 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain. Balfour Beatty VINCI (BBV) is working in partnership with HS2 Ltd to build the new high-speed railway in your area.

The work we are completing

We have started work on the A38 Overbridge that will enable HS2 trains to travel under the A38 main carriageway at Streethay. We need to start piling works to construct the new section of carriageway and northbound slip road.

Piling work is crucial to ensure the stability of the ground and to distribute the weight of a constructed structure evenly. It is an effective approach to combating corrosion and is proven to significantly improve the life expectancy of a structure.

When the work will take place

The piling work will take place overnight between 9pm and 5am from 15 July until 19 July.

These dates may be subject to change and are dependent factors such as weather and ground conditions.

Our workforce may be onsite for up to one hour before and one hour after our working hours, to set up and secure our equipment.

What this means for you

The A38 main carriageway will remain open in both directions during our piling works, however you might be able to hear noise from our activity and the machinery we are using on site. Where possible, we will keep noise to minimum.

If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email hs2enquiries@hs2.org.uk

Duration of works

Five nights from 15 July to 19 July

What to expect

Keeping you informed

We are committed to keeping you informed about work on HS2. This includes ensuring you know what to expect and when to expect it, as well as how we can help you.

The Residents' Commissioner

The independent Residents' Commissioner oversees and monitors our commitments to you.

The commissioner's reports and our responses can be found at www.gov.uk/government/collections/hs2-ltd-residents-commissioner

The Residents' Commissioner makes sure we fulfil the commitments in the HS2 Community Engagement Strategy (<https://bit.ly/3oOA25j>).

The Residents' Commissioner can be contacted on: residentscommissioner@hs2.org.uk

Construction Commissioner

The independent Construction Commissioner regularly meets our Chief Executive Officer to raise any concerns or emerging trends across HS2.

The Construction Commissioner's role has been developed to monitor the way we manage and respond to construction complaints.

The commissioner mediates on disputes about construction, involving individuals and organisations, that we can't resolve. The commissioner advises members of the public about how to make a complaint about construction.

The Construction Commissioner can be contacted on: complaints@hs2-cc.org.uk

Property and compensation
