

Notice of M42 junction 6 to 7a overnight closures in August and September for installation of narrow lanes.

July 2024 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain. Balfour Beatty VINCI (BBV) is working in partnership with HS2 Ltd to build the new high-speed railway in your area.

The work we will be doing.

The new railway will pass over the M42 on a box structure near the Birmingham Business Park.

Working with National Highways as we progress with the build of the M42 twin box, we will need access to the central reserve of the carriage way.

To create a safe working space, we will need to install narrow lanes on sections of the M42 with some overnight closures for the duration of these works. The narrow lanes will be in-place until the M42 twin box structure has been built.

M42 northbound, junction 6-7a, will be closed for 4 nights on 19 August - 22 August between 9pm - 5am.

M42 southbound, junction 7a - 6, will be closed for 7 nights on 30 August - 6 September between 9pm - 5am.

When we close the M42 northbound on 19 August 2024, we will carry out an adjustment to the traffic management on the link road to the southbound M6, to avoid further closures in September.

The adjustments will not affect daytime journeys from M42 towards Coventry on the M6.

During the day we will have traffic management in place, with three lanes available for road users and a speed restriction of 50mph.

For the overnight closure a fully signed diversion route will be in place, please see map of diversion routes on following pages.

If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email hs2enquiries@hs2.org.uk

About our Community and Business Funds

We are offering two funds that are available to local communities and businesses between the West Midlands and London, to help with the disruption caused by our construction work. These are the Community and Environment Fund (CEF) and the Business and Local Economy Fund (BLEF).

The CEF is designed to give communities the opportunity to share in the benefits of HS2. It is an allocated fund that communities are able to apply for, to help to support local projects that aim to improve their local area.

The BLEF is designed to support local economies that may be disrupted by the construction of HS2. BLEF grants are for local business support organisations and local authorities to help maintain business activity in local communities.

For more information about each of these funds, including how to apply, please visit: <https://www.groundwork.org.uk/hs2funds>

Keeping you informed

We are committed to keeping you informed about work on HS2. This includes ensuring you know what to expect and when to expect it, as well as how we can help you.

The Residents' Commissioner

The independent Residents' Commissioner oversees and monitors our commitments to you.

The commissioner's reports and our responses can be found at www.gov.uk/government/collections/hs2-ltd-residents-commissioner

The Residents' Commissioner makes sure we fulfil the commitments in the HS2 Community Engagement Strategy (<https://bit.ly/3oOA25j>).

The Residents' Commissioner can be contacted on: residentscommissioner@hs2.org.uk

Construction Commissioner

The independent Construction Commissioner regularly meets our Chief Executive Officer to raise any concerns or emerging trends across HS2.

The Construction Commissioner's role has been developed to monitor the way we manage and respond to construction complaints.

The commissioner mediates on disputes about construction, involving individuals and organisations, that we can't resolve. The commissioner advises members of the public about how to make a complaint about construction.

The Construction Commissioner can be contacted on: complaints@hs2-cc.org.uk
