HS2 Traffic Management Update

Old Oak Common Lane | July 2024

High Speed Two (HS2) is the new high speed railway for Britain. BBVS is the contractor working on behalf of HS2 to construct the Old Oak Common Station.

What are we doing

As we continue with the construction programme at Old Oak Common station site, we have a number of activities that will be taking place between July and October 2024.

This will include the installation of temporary traffic management, utility trial holes and temporary road, and footway, closures. Bus stops will not be affected by these works.

Please find further information about all of these activities within this newsletter.

A number of these works are subject to approvals from the local authorities and therefore dates could change. We will let you know of any changes via the HS2 website and email notifications.

If you have not signed up to receive email updates you can do this here:

<https://www.hs2.org.uk/in-your-area/local-community-webpages/hs2-in-old-oak-and-north-acton/>

Duration of works

July - December 2024

What to expect

Temporary northbound and southbound carriageway and footpath closures.

Temporary full road closures with diversionary signage.

Some additional traffic on local roads and noise from equipment used for the works.

What we will do

We will work hard to reduce the impact of our works.

We will update the HS2 website with any changes.

Works in July and August 2024

Utility trial holes on Old Oak Common Lane

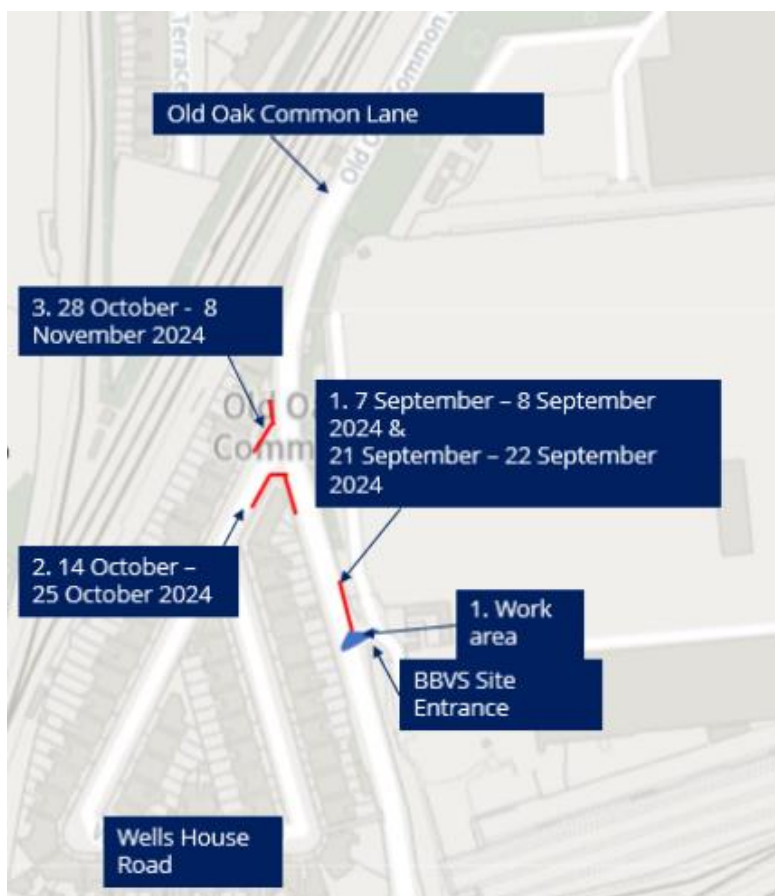

1. Temporary two-way traffic lights will be in place between **Monday 8 July and Sunday 4 August 2024** in the location shown in the map below to allow Thames Water and Cadent to undertake trial hole investigation works on the southbound carriageway. There will also be a southbound footpath closure for safety reasons.
2. Temporary two-way traffic lights will be in place between **Monday 5 August and Monday 26 August 2024** in the location shown in the map below to allow Thames Water and Cadent to undertake trial hole investigation works on the northbound carriageway. There will also be a northbound footpath closure for safety reasons.
3. Temporary two-way traffic lights will be in place between **Monday 26 August and Monday 7 October 2024** in the location shown in the map below to allow Thames Water and Cadent to undertake trial hole investigation works on the northbound carriageway. There will also be a northbound footpath closure for safety reasons.

Works starting in September and October 2024

Utility trial holes

1. Temporary two-way traffic lights will be in place on Old Oak Common Lane between **Saturday 7 September and Sunday 9 September 2024** and **Saturday 21 September and Sunday 22 September 2024** in the location shown in the map below to allow Thames Water to cut and cap a water main in the southbound carriageway. There will also be a southbound footpath closure for safety reasons.
2. Temporary four-way traffic lights will be in place on Wells House Road between **Monday 14 October and Friday 25 October 2024** in the location shown in the map below to allow Thames Water and Cadent to undertake trial hole investigation works on the southbound carriageway. There will also be a parking restriction on Wells House Road and a southbound footpath closure for safety reasons.
3. Temporary four-way traffic lights will be in place on Wells House Road between **Monday 28 October and Friday 8 November 2024** in the location shown in the map below to allow Thames Water and Cadent to undertake trial hole investigation works on the northbound carriageway. There will be a parking restriction on Wells House Road and a northbound footpath closure for safety reasons. The works will be outside properties 153 – 163 Wells House Road and we will make direct contact with these residents to discuss how we will help to reduce the impact of the works.

Works starting in November 2024

Great Western Main Line bridges and Old Oak Common Lane realignment works

1. Temporary two-way traffic lights will be in place between **Wednesday 20 November and Tuesday 26 November 2024** in the location shown in the map below to allow us to remove fencing and reinstate the footpath. There will be a southbound lane closure and footpath closure for safety reasons.
2. Temporary two-way traffic lights will be in place between **Wednesday 27 November and Tuesday 10 December 2024** in the location shown in the map below to allow us to install hoardings. There will be a northbound lane closure and footpath closure for safety reasons.

Contact our HS2 Helpdesk team

Our team is here to listen and respond to your enquiry, complaint or feedback to help us be a good neighbour.

You can contact our Helpdesk team all day, every day of the year on:

Freephone: **08081 434 434**

Minicom: **08081 456 472**

Email: hs2enquiries@hs2.org.uk

Keep up-to-date with your local community website

To find out more about what's happening in your area and receive regular email updates, you can sign up to our local community websites at: www.hs2inyourarea.co.uk.

About our Community and Business

We are offering two funds that are available to local communities and businesses between the West Midlands and London, to help with the disruption caused by our construction work. These are the Community and Environment Fund (CEF) and the Business and Local Economy Fund (BLEF).

The CEF is designed to give communities the opportunity to share in the benefits of HS2. It is an allocated fund that communities are able to apply for, to help to support local projects that aim to improve their local area.

The BLEF is designed to support local economies that may be disrupted by the construction of HS2. BLEF grants are for local business support organisations and local authorities to help maintain business activity in local communities.

For more information about each of these funds, including how to apply, please visit:

<https://www.groundwork.org.uk/hs2funds>

Keeping you informed

We are committed to keeping you informed about work on HS2. This includes ensuring you know what to expect and when to expect it, as well as how we can help you.

The Residents' Commissioner

The independent Residents' Commissioner oversees and monitors our commitments to you.

The commissioner's reports and our responses can be found at www.gov.uk/government/collections/hs2-ltd-residents-commissioner

The Residents' Commissioner makes sure we fulfil the commitments in the HS2 Community Engagement Strategy (<https://bit.ly/3oOA25j>).

The Residents' Commissioner can be contacted on: residentscommissioner@hs2.org.uk

Construction Commissioner

The independent Construction Commissioner regularly meets our Chief Executive Officer to raise any concerns or emerging trends across HS2.

The Construction Commissioner's role has been developed to monitor the way we manage and respond to construction complaints.

The commissioner mediates on disputes about construction, involving individuals and organisations, that we can't resolve. The commissioner advises members of the public about how to make a complaint about construction.

The Construction Commissioner can be contacted on: complaints@hs2-cc.org.uk

Property and compensation

You can find out about HS2 and properties along the route by visiting:

www.gov.uk/government/collections/hs2-property

Find out if you can claim compensation at:

www.gov.uk/claim-compensation-if-affected-by-hs2

Holding us to account

If you are unhappy for any reason you can make a complaint by contacting the HS2 Helpdesk. For more details on our complaints process, please visit:
