

# Change of dates for utility works on A40 Western Avenue

July 2024 | [www.hs2.org.uk](http://www.hs2.org.uk)

High Speed Two (HS2) is the new high speed railway for Britain.

## Utility works on the A40 Western Avenue

We wrote to you in May about works to protect and upgrade the main gas pipe below the A40 Western Avenue between Alperton Lane and Hanger Lane Gyratory. These works were planned to take place between 27 May until late October 2024.

There have been some changes to the dates of the phases of the works which are outlined in the table on the following pages.

We will continue working with utility providers, Transport for London and Ealing Council to coordinate works on the local road network, wherever possible.

## How this might affect you

We are digging a number of trenches across the road to reach the depth of the main gas pipe as the existing metal pipe will be replaced with plastic.

To ensure the safety of the public and our staff, temporary changes will be in place on the A40 Western Avenue for the duration of these works. Please see the following pages for the dates and traffic management measures that will be in place, throughout the works.

## Speak to our local engagement team

We will also be holding virtual one-to-ones from 4pm to 6pm on the third Tuesday of each month during our works on the A40 Western Avenue. You can register for a 20-minute one-to-one session at <https://www.hs2.org.uk/events/>

**If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email [hs2enquiries@hs2.org.uk](mailto:hs2enquiries@hs2.org.uk)**

### **Other works impacting the road network**

We are carrying out utility works in various locations along the HS2 London Tunnels route. Some of these works may impact the road network in your local area. To view updates about works in your area please visit the in your area map [www.hs2.org.uk/in-your-area/](http://www.hs2.org.uk/in-your-area/).

# Keeping you informed

We are committed to keeping you informed about work on HS2. This includes ensuring you know what to expect and when to expect it, as well as how we can help you.

## The Residents' Commissioner

The independent Residents' Commissioner oversees and monitors our commitments to you.

The commissioner's reports and our responses can be found at [www.gov.uk/government/collections/hs2-ltd-residents-commissioner](https://www.gov.uk/government/collections/hs2-ltd-residents-commissioner)

The Residents' Commissioner makes sure we fulfil the commitments in the HS2 Community Engagement Strategy (<https://bit.ly/3oOA25j>).

The Residents' Commissioner can be contacted on: [residentscommissioner@hs2.org.uk](mailto:residentscommissioner@hs2.org.uk)

## Construction Commissioner

The independent Construction Commissioner regularly meets our Chief Executive Officer to raise any concerns or emerging trends across HS2.

The Construction Commissioner's role has been developed to monitor the way we manage and respond to construction complaints.

The commissioner mediates on disputes about construction, involving individuals and organisations, that we can't resolve. The commissioner advises members of the public about how to make a complaint about construction.

The Construction Commissioner can be contacted on: [complaints@hs2-cc.org.uk](mailto:complaints@hs2-cc.org.uk)
