

Updated notice of traffic management on Long Itchington Road and Welsh Road, Offchurch

July 2024 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain. Balfour Beatty VINCI (BBV) is working in partnership with HS2 Ltd to build the new high-speed railway in your area

The work we will be doing

As we progress construction of the HS2 railway in the area we need to complete a range of surveys, including topographical, ecological, GPR and trial holes, on the carriageway and verges at the junction of Welsh Road and Long Itchington Road.

We shared a communication recently on the traffic management required for these works. The sequence of traffic management has changed as below.

When will these works be done

The traffic management will still be in place from 22 July to 16 August 2024 and will now be installed in the following phases:

Phase one: 22 July to 26 July 2024: four-way temporary traffic lights will be in place 24 hours a day.

Phase two: 29 July to 2 August 2024: full closure will be in operation between 8am to 6pm (Mon-Fri) with traffic lights overnight.

Phase three: 5 August to 9 August 2024: temporary four-way traffic lights will be in place from 8am to 6pm each day.

Phase four: 12 August to 16 August 2024: temporary four-way traffic lights will be in place from 8am to 6pm each day.

There will be no traffic management at the weekends.

During the closure there will be no through route from Offchurch to the Fosse Way. The Offchurch Greenway car park will only be accessible from The Fosse Way.

If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email hs2enquiries@hs2.org.uk

About our Community and Business Funds

We are offering two funds that are available to local communities and businesses between the West Midlands and London, to help with the disruption caused by our construction work. These are the Community and Environment Fund (CEF) and the Business and Local Economy Fund (BLEF).

The CEF is designed to give communities the opportunity to share in the benefits of HS2. It is an allocated fund that communities are able to apply for, to help to support local projects that aim to improve their local area.

The BLEF is designed to support local economies that may be disrupted by the construction of HS2. BLEF grants are for local business support organisations and local authorities to help maintain business activity in local communities.

For more information about each of these funds, including how to apply, please visit: <https://www.groundwork.org.uk/hs2funds>

Keeping you informed

We are committed to keeping you informed about work on HS2. This includes ensuring you know what to expect and when to expect it, as well as how we can help you.

The Residents' Commissioner

The independent Residents' Commissioner oversees and monitors our commitments to you.

The commissioner's reports and our responses can be found at www.gov.uk/government/collections/hs2-ltd-residents-commissioner

The Residents' Commissioner makes sure we fulfil the commitments in the HS2 Community Engagement Strategy (<https://bit.ly/3oOA25j>).

The Residents' Commissioner can be contacted on: residentscommissioner@hs2.org.uk

Construction Commissioner

The independent Construction Commissioner regularly meets our Chief Executive Officer to raise any concerns or emerging trends across HS2.

The Construction Commissioner's role has been developed to monitor the way we manage and respond to construction complaints.

The commissioner mediates on disputes about construction, involving individuals and organisations, that we can't resolve. The commissioner advises members of the public about how to make a complaint about construction.

The Construction Commissioner can be contacted on: complaints@hs2-cc.org.uk

Property and compensation
