

Notice of road closure, Ladbroke Hill Lane, Ladbroke, Southam

August 2024 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain. If you have any questions or enquiries about our work, please contact our Helpdesk to find out more. You can sign up for regular updates in your local area at www.hs2inwarwickshire.co.uk.

What are we doing?

In early September, EKFB will be installing a reinforced plant crossing on Ladbroke Hill Lane. To achieve this, Ladbroke Hill Lane will be fully closed, 24 hours a day, for approximately two weeks starting Monday 2 September.

A strengthened road surface will be created using concrete to ensure that we protect the road and any utilities underneath it for the duration of our works. This crossing will enable our construction traffic to pass over the road. As the works will require large plant and machinery, and time for concrete to set, we are required to fully close these sections of road, 24 hours per day. This is for the safety of road users and our staff, due to the lane being narrow.

Access will be maintained for local farms, business and the footpath SM90, during the closure.

It may also be necessary to remove localised areas of vegetation to enable future works to continue and to allow access to areas of the site.

When will these works take place?

Ladbroke Hill Lane will be fully closed, 24-hours a day, from 19 August to 30 August 2024.

These dates may be subject to local authority consents and changes due to circumstances outside of our control, such as poor weather.

If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email hs2enquiries@hs2.org.uk
