

Notice of road closure on Snape Hall Road, Whitmore

August 2024 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain.

Project update

On 4 October 2023, the former Prime Minister announced that the Government proposed to deliver a broad range of transport initiatives in place of investing in Phase Two of HS2. This means that HS2 Ltd is not undertaking any 'new' work to progress plans for Phase 2a of the project and is working with Government to agree the next steps on this phase of the project.

The activity described below is needed either to finish work on an existing site, for the ongoing maintenance of a site, or for health, safety and security reasons.

What we are doing

As part of our ongoing maintenance of sites along Snape Hall Road, we will be carrying out essential works to remove an unsafe roadside tree on **4th and 5th September 2024**. These works are required to ensure the public highway remains clear and safe to use.

We will need to install a temporary road closure to access the site and manage the safe movement of vehicles and people required to carry out the works. A signed diversion route will be in place during the closure.

If your journey is affected by these works, we appreciate your patience and understanding for any delays caused. We also urge you to allow some additional time for your journey as necessary.

If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email hs2enquiries@hs2.org.uk

Duration of works

4 - 5 September 2024

8am – 4pm

Daytime working

What we will do

Install a temporary road closure along Snape Hall Road, between Heath Road and Snape Hall Cottage

Display a signed diversion route

Inform you in advance of any changes to the dates and working times shown.

What to expect

Minor delays and traffic diversion

Some low-level noise.

How will this affect you?

We will put the road closure and diversion in place from **Wednesday 4 September until Thursday 5 September 2024, between 8am and 4pm.**

The equipment we use may generate some low-level noise. We will be switching off engines when not in use and working during the day to minimise disturbance to local residents. We will also ensure that the road is re-opened as soon as the works have been completed, the site has been exited and it is safe to do so, to minimise disruption to your journeys.

The map below shows in red where we will be installing the closure.

Keeping you informed

We are committed to keeping you informed about work on HS2. This includes ensuring you know what to expect and when to expect it, as well as how we can help you.

The Residents' Commissioner

The independent Residents' Commissioner oversees and monitors our commitments to you.

The commissioner's reports and our responses can be found at www.gov.uk/government/collections/hs2-ltd-residents-commissioner

The Residents' Commissioner makes sure we fulfil the commitments in the HS2 Community Engagement Strategy (<https://bit.ly/3oOA25j>).

The Residents' Commissioner can be contacted on: residentscommissioner@hs2.org.uk

Construction Commissioner

The independent Construction Commissioner regularly meets our Chief Executive Officer to raise any concerns or emerging trends across HS2.

The Construction Commissioner's role has been developed to monitor the way we manage and respond to construction complaints.

The commissioner mediates on disputes about construction, involving individuals and organisations, that we can't resolve. The commissioner advises members of the public about how to make a complaint about construction.

The Construction Commissioner can be contacted on: complaints@hs2-cc.org.uk

Property and compensation
