

# Notice of temporary, partial road closure on Station Road, Madeley

High Speed Two (HS2) is the new high speed railway for Britain.

## Project update

On 4 October 2023, the former Prime Minister announced that the Government proposed to deliver a broad range of transport initiatives in place of investing in Phase Two of HS2. This means that HS2 Ltd is not undertaking any 'new' work to progress plans for Phase 2a of the project and is working with Government to agree the next steps on this phase of the project.

The activity described below is needed either to finish work on an existing site, for the ongoing maintenance of a site, or for health, safety and security reasons.

## What we are doing

As part of our ongoing maintenance works along Station Road, we will be carrying out essential works to remove an unsafe roadside tree on **4 September 2024**. These works are required to ensure public safety. There will be approximately six operatives with chainsaws removing the arms of the tree before slowly dismantling it.

We will need to manage the safe movement of vehicles and people required to carry out the works.

The traffic restrictions, as per the map overleaf, will be set up at around 9am so that any residents parked there who need to drive to work can do so, and others can move their cars away from the immediate area. This is required to create a safe buffer zone for when the tree is being taken down, and a place for it to be cut up.

If any residents or visitors need to move their cars through the restricted area during the works, please speak to our on-site operatives who will be able to marshal this. Please allow time for this or alert the operatives early as you may need to wait some time until it is safe for a car to pass though. The same will apply to pedestrians.

If your movements are affected by these works, we appreciate your patience and understanding for any minor delay.

## Duration of works

Wednesday 4 September  
8pm – 4pm

Daytime working

## What we will do

Install a road closure,  
traffic cones and a buffer  
zone

Carry out the work in  
compliance with the Code  
of Construction Practice

Inform you in advance of  
any changes to the dates  
and working times shown

## What to expect

Minor traffic and parking  
restrictions on Station  
Road

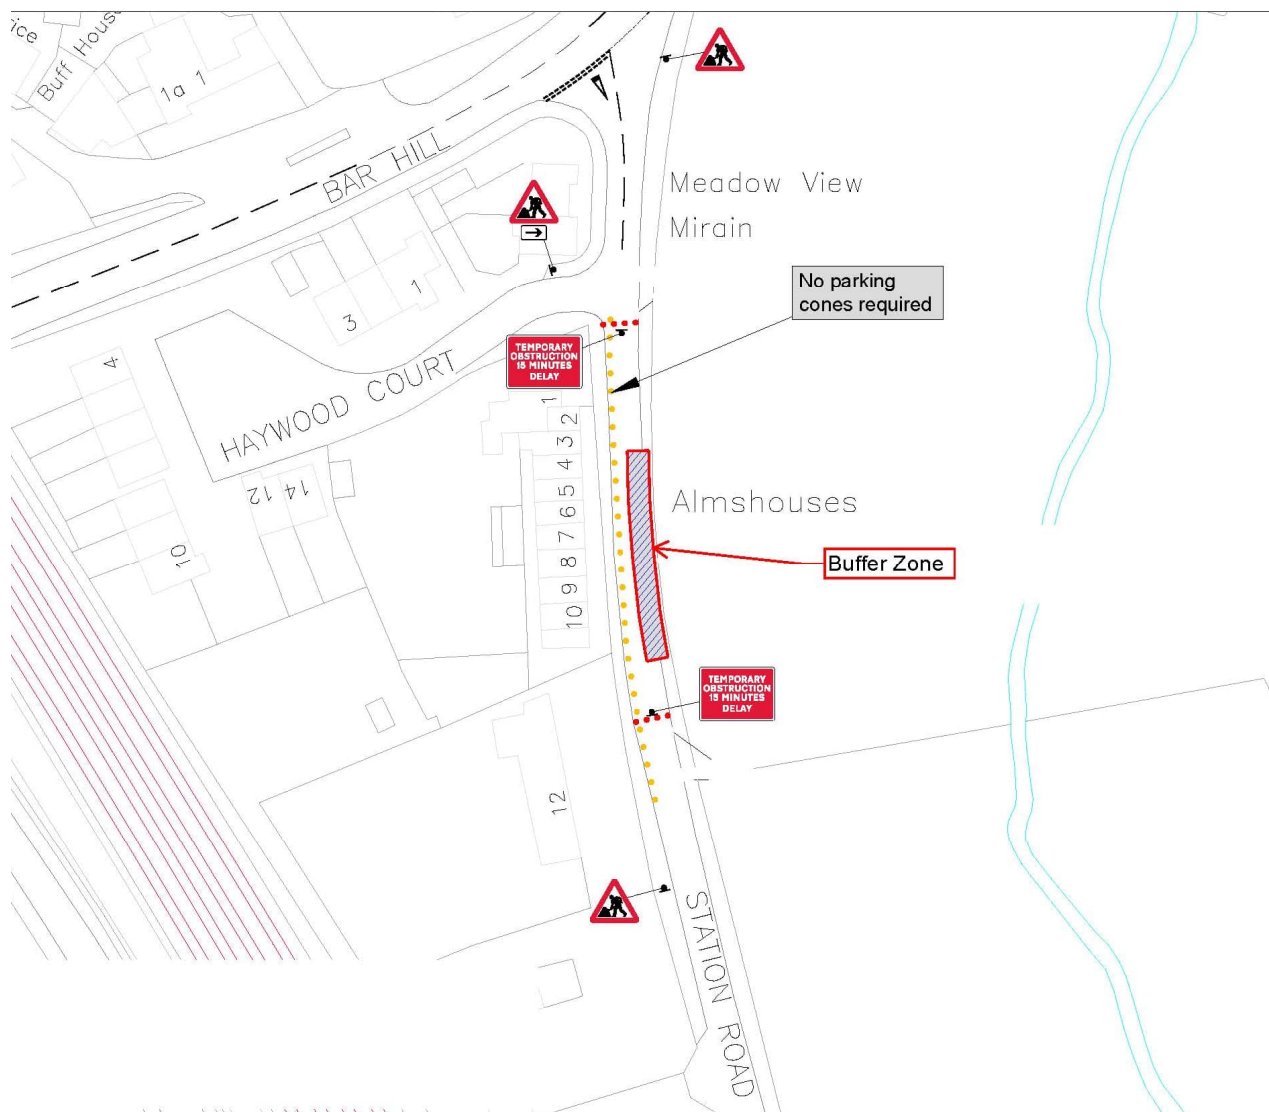

Some low-level noise

## How will this affect you?

We will put the temporary partial road closure in place from 9am on **Wednesday 4 September**.

The equipment we use will generate some intermittent noise in the local area. We will also ensure that the traffic and parking restrictions are only in operation during periods when work is being undertaken to minimise disruption.

The map below shows where we will be installing the traffic restrictions.

# Keeping you informed

We are committed to keeping you informed about work on HS2. This includes ensuring you know what to expect and when to expect it, as well as how we can help you.

## The Residents' Commissioner

The independent Residents' Commissioner oversees and monitors our commitments to you.

The commissioner's reports and our responses can be found at [www.gov.uk/government/collections/hs2-ltd-residents-commissioner](http://www.gov.uk/government/collections/hs2-ltd-residents-commissioner)

The Residents' Commissioner makes sure we fulfil the commitments in the HS2 Community Engagement Strategy (<https://bit.ly/3oOA25j>).

The Residents' Commissioner can be contacted on: [residentscommissioner@hs2.org.uk](mailto:residentscommissioner@hs2.org.uk)

## Construction Commissioner

The independent Construction Commissioner regularly meets our Chief Executive Officer to raise any concerns or emerging trends across HS2.

The Construction Commissioner's role has been developed to monitor the way we manage and respond to construction complaints.

The commissioner mediates on disputes about construction, involving individuals and organisations, that we can't resolve. The commissioner advises members of the public about how to make a complaint about construction.

The Construction Commissioner can be contacted on: [complaints@hs2-cc.org.uk](mailto:complaints@hs2-cc.org.uk)
