

24-hour works over bank holiday weekend in Euston Approaches

August 2024 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain.

24-hour works (day and night) over bank holiday weekend – 24 to 27 August

We plan our construction activities to avoid working over the holidays wherever possible but for safety, we can only carry out works next to the railway when the tracks are not in use. We will work 24 hours – day and night - over the long weekend, to complete works next to the tracks before they reopen.

24-hour works near Parkway Tunnels

Over the August bank holiday weekend, we will be working close to the Parkway Tunnels. Works will include excavation, installing steel cages and concreting underground. We will aim to carry out this work during day shifts, however, we may need to work overnight. We will complete all noisy works during the day and will monitor our noise levels to ensure we are working within the approved limits.

Weekend works at Granby Terrace bridge

We are currently building a wall at track-level between the Network Rail existing wall and future HS2 tracks. This wall will also act as one of the supports for the new section of Granby Terrace bridge.

We will work to complete the construction of the formwork, as well as steel fixing and other preparatory tasks. This will take place on the following weekends:

- 24 to 26 August - 8am to 8pm
- 31 August to 1 September - 8am to 8pm

We will carry out all noisy works during the day, and quieter works at night. We will use acoustic blankets to limit noise and will monitor noise levels closely to ensure we are working within the approved limits.

If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email HS2enquiries@hs2.org.uk

Duration of works

August bank holiday weekend works

Working hours:
8am Saturday 24 to
8am Tuesday 27 August

Weekend works on Granby Terrace Bridge

Working hours: 24 to 26
August, 8am to 8pm and
31 August to 1
September, 8am to 8pm

What to expect

Periods of increased noise during works near Parkway Tunnels and Granby Terrace bridge

Temporary northbound lane closure on Hampstead Road for hoarding maintenance

What we will do

Measures in place to limit the impact of noise

Monitor noise and vibration levels

Provide updates at HS2inCamden.co.uk

24-hour works over bank holiday weekend in Euston Approaches

Notification

www.hs2.org.uk

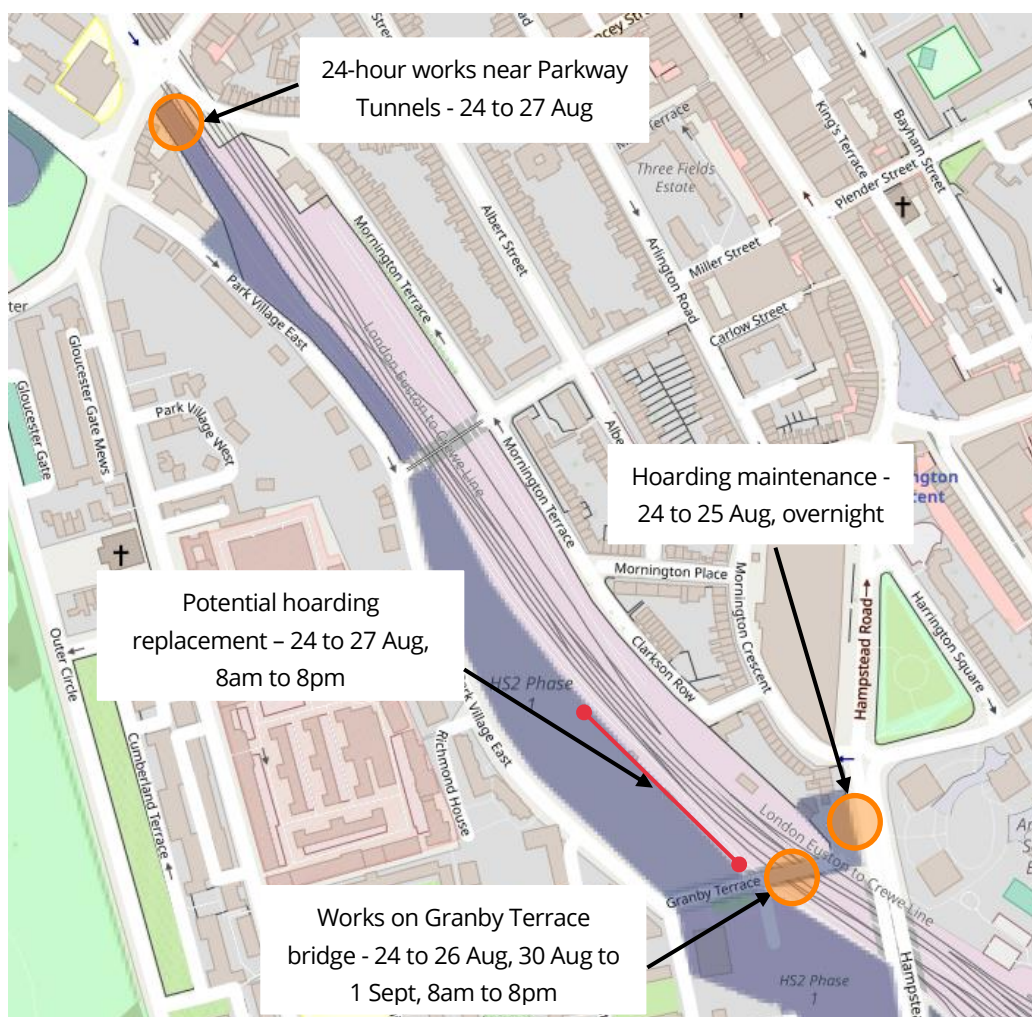

24-hour works (day and night) over bank holiday weekend – 24 to 27 August

Hoarding replacement within site - north of Granby Terrace bridge

We are planning to install new hoarding along the perimeter of our site, close to the Network Rail tracks during our core working hours from Monday to Friday. However, if we cannot safely do this when train lines are active, we will use the track closures over the bank holiday weekend. This will take place between 8am and 8pm.

Weekend and overnight site maintenance

We also carry out regular maintenance to our site hoarding on Hampstead Road once a month, on a Saturday night. We will carry out this work overnight on 24 to 25 August. We will temporarily close the northbound lane on Hampstead Road and maintain two-way traffic in the southbound lane. You may notice brief periods of noise as we clean the road and hoarding.

Keep up-to-date with your local community website

To find out more about what's happening in your area and receive regular email updates, you can sign up to our local community websites at: www.hs2inyourarea.co.uk.

About our Community and Business Funds

We are offering two funds that are available to local communities and businesses between the West Midlands and London, to help with the disruption caused by our construction work. These are the Community and Environment Fund (CEF) and the Business and Local Economy Fund (BLEF).

The CEF is designed to give communities the opportunity to share in the benefits of HS2. It is an allocated fund that communities are able to apply for, to help to support local projects that aim to improve their local area.

The BLEF is designed to support local economies that may be disrupted by the construction of HS2. BLEF grants are for local business support organisations and local authorities to help maintain business activity in local communities.

For more information about each of these funds, including how to apply, please visit: <https://www.groundwork.org.uk/hs2funds>

Keeping you informed

We are committed to keeping you informed about work on HS2. This includes ensuring you know what to expect and when to expect it, as well as how we can help you.

The Residents' Commissioner

The independent Residents' Commissioner oversees and monitors our commitments to you.

The commissioner's reports and our responses can be found at www.gov.uk/government/collections/hs2-ltd-residents-commissioner

The Residents' Commissioner makes sure we fulfil the commitments in the HS2 Community Engagement Strategy (<https://bit.ly/3oOA25j>).

The Residents' Commissioner can be contacted on: residentscommissioner@hs2.org.uk

Construction Commissioner

The independent Construction Commissioner regularly meets our Chief Executive Officer to raise any concerns or emerging trends across HS2.

The Construction Commissioner's role has been developed to monitor the way we manage and respond to construction complaints.

The commissioner mediates on disputes about construction, involving individuals and organisations, that we can't resolve. The commissioner advises members of the public about how to make a complaint about construction.

The Construction Commissioner can be contacted on: complaints@hs2-cc.org.uk

Property and compensation

You can find out about HS2 and properties along the route by visiting: www.gov.uk/government/collections/hs2-property

Find out if you can claim compensation at: www.gov.uk/claim-compensation-if-affected-by-hs2

Holding us to account

If you are unhappy for any reason you can make a complaint by contacting the HS2 Helpdesk. For more details on our complaints process, please visit:
