Update: Overnight works at Granby Terrace bridge and Euston Throat

February 2025 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain.

Overnight and weekend working – March and April

We previously notified you about our overnight works in Euston Approaches for February and early March – Saturdays 1 and 8 March. Please see notice [here](#).

On Granby Terrace bridge we will continue works to install parapets on the new bridge deck and move concrete blocks off of the existing bridge deck to make space for utility diversions.

We will also continue works to prepare for the Network Rail wall removal in the Euston Throat area.

Due to proximity to the live railway and for safety reasons, we can only carry out these works when the rail tracks below are not in use.

We will work on **Saturdays from 8am to 1pm**, and from **9pm overnight, to Sunday 9am** on the following dates:

- Saturday 15 March to Sunday 16 March
- Saturday 22 March to Sunday 23 March
- Saturday 29 March to Sunday 30 March
- Saturday 5 April to Sunday 6 April
- Saturday 12 April to Sunday 13 April

See map on next page for location of works.

We will minimise noise impacts where practicable and we will continually monitor noise levels to ensure we are working within the approved limits.

We apologise for any disruption these works may cause.
