

Extended hours working at Granby Terrace bridge

March 2025 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain.

Extended hours concrete pour at Granby Terrace bridge – 28 March

We are continuing our work to construct the new bridge deck for Granby Terrace bridge. We completed the concrete pour for the main bridge deck in November 2024 and are now constructing the northern roof slab and other supporting structures.

As part of this work, we need to complete a large concrete pour on Friday 28 March. The works are weather dependent, and if we are unable to complete the pour on this day, we will carry out this work on Tuesday 1 April.

Once we begin pouring concrete for a slab, we must continue until it is finished. We will prepare our working area the day before so we can begin pouring concrete at 7am on the day. We plan to finish by 6pm, however if there are any delays, we may finish later than this. We will not carry out any noisy works until after 8am.

We will have approximately 65 wagons delivering concrete to our site. To reduce the impact of this, concrete wagons will access the worksite through our site gate on Hampstead Road.

You may notice periods of noise from the concrete pour and additional lorries throughout the day. We are sorry for any disruption this work might cause.

Keeping you informed

We are committed to keeping you informed about work on HS2. This includes ensuring you know what to expect and when to expect it, as well as how we can help you.

The Residents' Commissioner

The independent Residents' Commissioner oversees and monitors our commitments to you.

The commissioner's reports and our responses can be found at www.gov.uk/government/collections/hs2-ltd-residents-commissioner

The Residents' Commissioner makes sure we fulfil the commitments in the HS2 Community Engagement Strategy (<https://bit.ly/3oOA25j>).

The Residents' Commissioner can be contacted on: residentscommissioner@hs2.org.uk

Construction Commissioner

The independent Construction Commissioner regularly meets our Chief Executive Officer to raise any concerns or emerging trends across HS2.

The Construction Commissioner's role has been developed to monitor the way we manage and respond to construction complaints.

The commissioner mediates on disputes about construction, involving individuals and organisations, that we can't resolve. The commissioner advises members of the public about how to make a complaint about construction.

The Construction Commissioner can be contacted on: complaints@hs2-cc.org.uk
