

## Notice of traffic lights and construction work, A423, Southam

August 2024 | [www.hs2.org.uk](http://www.hs2.org.uk)

High Speed Two (HS2) is the new high speed railway for Britain. If you have any questions or enquiries about our work, please contact our Helpdesk to find out more. You can sign up for regular updates in your local area at [www.hs2inwarwickshire.co.uk](http://www.hs2inwarwickshire.co.uk).

### What are we doing?

South of Southam EKFB are building two new bridges. As part of the construction of the A423 overbridge, we are building new drainage culverts near the highway and installing a support method called sheet piling.

This involves driving interlocking metal sheets into the ground, to create a strong retaining wall between the structure and the highway.

To complete this work safely, there will be a single lane closure on the A423, managed with temporary traffic lights. An increase in noise may be experienced while this work is carried out.

### When will these works take place?

Saturday 31 August and Sunday 1 September 2024, from 8.30am to 5.30pm.

These dates may be subject to local authority consents and changes due to circumstances outside of our control, such as poor weather.

**If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email [hs2enquiries@hs2.org.uk](mailto:hs2enquiries@hs2.org.uk)**
