

# Notice of overnight closures and lane closure on A452 Chester Road

August 2024 | [www.hs2.org.uk](http://www.hs2.org.uk)

High Speed Two (HS2) is the new high speed railway for Britain. Balfour Beatty VINCI (BBV) is working in partnership with HS2 Ltd to build the new high-speed railway in your area.

## The work we will be doing

A new railway station for high-speed services is being built in the area between the M42 and the A452 Chester Road, adjacent to the NEC and Birmingham Business Park. An existing water main is located in this area, and it is vital that this is safely diverted so that our works do not interrupt the supply.

The newly diverted water main will be located in the verge of the northbound carriageway of the A452 Chester Road between Stonebridge Island and the Little Packington turn off. To install this safely we will need to close lane one of the A452 for 13 weeks from Monday 16 September until Friday 13 December. The closure will be in place all day, every day during this period. Access to Toby Carvery and Park Farm will be maintained.

To isolate our work area, we will install a temporary safety barrier. This will necessitate an overnight closure of the Northbound A452 in this area. The road will close on Monday 16 September at 9pm and reopen at 5am on Tuesday 17 September. This will be repeated to remove the safety barrier at 9pm on Friday 13 December, reopening on Saturday 14 December. A signed diversion will be in place via A45 and Bickenhill Lane to return to Chester Road, continuing on Coleshill Heath Road to reach the A446, please see maps overleaf for details.

## Important - Packington Lane

Our team will be utilising the overnight closure on 16 September to undertake necessary vegetation clearance work. This will require the closure of the Packington Lane slip road on to the northbound A452 including the underpass. Residents of Little Packington will be required to travel south on the A452 to Stonebridge Island and follow the same diversion on the map overleaf.

**If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email [hs2enquiries@hs2.org.uk](mailto:hs2enquiries@hs2.org.uk)**

## About our Community and Business Funds

We are offering two funds that are available to local communities and businesses between the West Midlands and London, to help with the disruption caused by our construction work. These are the Community and Environment Fund (CEF) and the Business and Local Economy Fund (BLEF).

The CEF is designed to give communities the opportunity to share in the benefits of HS2. It is an allocated fund that communities are able to apply for, to help to support local projects that aim to improve their local area.

The BLEF is designed to support local economies that may be disrupted by the construction of HS2. BLEF grants are for local business support organisations and local authorities to help maintain business activity in local communities.

For more information about each of these funds, including how to apply, please visit: <https://www.groundwork.org.uk/hs2funds>

# Keeping you informed

We are committed to keeping you informed about work on HS2. This includes ensuring you know what to expect and when to expect it, as well as how we can help you.

## The Residents' Commissioner

The independent Residents' Commissioner oversees and monitors our commitments to you.

The commissioner's reports and our responses can be found at [www.gov.uk/government/collections/hs2-ltd-residents-commissioner](http://www.gov.uk/government/collections/hs2-ltd-residents-commissioner)

The Residents' Commissioner makes sure we fulfil the commitments in the HS2 Community Engagement Strategy (<https://bit.ly/3oOA25j>).

The Residents' Commissioner can be contacted on: [residentscommissioner@hs2.org.uk](mailto:residentscommissioner@hs2.org.uk)

## Construction Commissioner

The independent Construction Commissioner regularly meets our Chief Executive Officer to raise any concerns or emerging trends across HS2.

The Construction Commissioner's role has been developed to monitor the way we manage and respond to construction complaints.

The commissioner mediates on disputes about construction, involving individuals and organisations, that we can't resolve. The commissioner advises members of the public about how to make a complaint about construction.

The Construction Commissioner can be contacted on: [complaints@hs2-cc.org.uk](mailto:complaints@hs2-cc.org.uk)
