

Notice of road closure **UPDATE**, Wardington Road, Edgcote

August 2025 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain. If you have any questions about these works, please contact our Helpdesk to find out more. You can sign up for regular updates in your local area at www.hs2innorthants.co.uk.

What are we doing?

Over the next year, we will be constructing the main structure of the Edgcote Viaduct. This viaduct will travel over the Wardington Road, also known as the lane from Trafford Bridge to Wardington Village near Chipping Warden.

As our works continue to progress, we now have some construction activities to complete which require the closure of Wardington Road. This closure is required for reasons of safety as our teams will be working directly in the road. These works will take place sequentially, and therefore Wardington Road will close from Monday 9 September 2024 until Spring 2026.

During this period we will be carrying out:

- the diversion of a small section of the river Cherwell around the piers for the viaduct
- re-grading a section of the road that passes under the viaduct
- installing the viaduct beams which run over the road

Culworth Road will remain open during this time and we will continue to update communities as our works progress.

When will these works take place?

UPDATE: A section of Wardington Road will be fully closed, 24-hours a day, from Monday 9 September 2024 **until Spring 2026**.

These dates may be subject to local authority consents and changes due to circumstances outside of our control, such as poor weather.

If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email hs2enquiries@hs2.org.uk
