September 2024 | [www.hs2.org.uk](http://www.hs2.org.uk)

High Speed Two (HS2) is the new high-speed railway for Britain.

## A40 Western Avenue works update

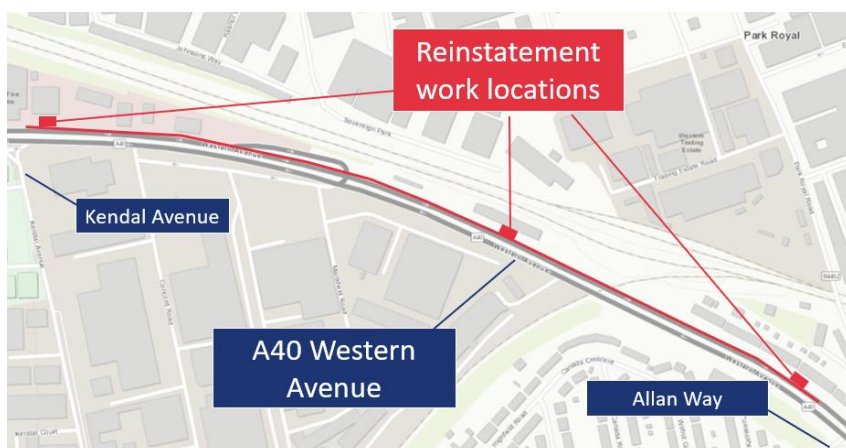

Our works to protect and upgrade the gas main below the A40 Western Avenue between Alpertown Lane and Hanger Lane Gyratory are scheduled to be completed by the **end of October**.

From 30 September until late October, we will be removing the temporary contraflow system and reinstating the previously removed central reservation. There will continue to be eastbound and westbound lane closures.

These works will mainly be done overnight to minimise traffic disruption.

## Road reinstatement

From **30 September to 5 October 2024**, we will be carrying out road reinstatement works overnight at the three locations shown on the map below. These works include installing marker posts and reinstating soft verges. There will be an overnight eastbound lane closure closest to the footpath for these works to take place. The lane will be open during the day.

We apologise for any disruption caused by these works.
