

# Notice of reinstatement works, Greenford Road

September 2024 | [www.hs2.org.uk](http://www.hs2.org.uk)

High Speed Two (HS2) is the new high speed railway for Britain.

## What we are doing

From **23 to 28 September 2024**, we will be carrying out the final phase of reinstatement work on Greenford Road, Greenford.

These works include:

- Fence rebuilding and grass seeding at the verge area beside McDonalds on Greenford Road
- Slabbing works on Greenford Road eastern footpath from Bennetts Avenue to McDonalds
- Reinstating tarmac and road markings on Bennetts Avenue

## How these works might affect you

Temporary traffic management will be in place to ensure these activities can be carried out safely.

The welfare cabin will remain at Bennetts Avenue as well as the road closure, until the Thames Water works on Greenford Road have been completed so that we can manage traffic effectively. We estimate these works will be completed by early November.

There may be some noise from the works on Bennetts Avenue. Acoustic blankets will be in place when possible, to minimise disruption.

All other works will be completed on the footpath which will be narrowed but will remain open.

The road closure and work areas are indicated on the map on the next page.

## About our Community and Business Funds

We are offering two funds that are available to local communities and businesses between the West Midlands and London, to help with the disruption caused by our construction work. These are the Community and Environment Fund (CEF) and the Business and Local Economy Fund (BLEF).

The CEF is designed to give communities the opportunity to share in the benefits of HS2. It is an allocated fund that communities are able to apply for, to help to support local projects that aim to improve their local area.

The BLEF is designed to support local economies that may be disrupted by the construction of HS2. BLEF grants are for local business support organisations and local authorities to help maintain business activity in local communities.

For more information about each of these funds, including how to apply, please visit: <https://www.groundwork.org.uk/hs2funds>
