September 2024 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain. You can sign up for regular updates in your local area at www.hs2inbucksandox.co.uk

What Are We Doing?

In October, we will be carrying out utility diversion works under the A413, Wendover Bypass. For reasons of safety, as our teams will be working in open trenches directly in the carriageway, this section of road will be fully closed over one weekend.

In November, there will also be additional weekend closures for utility diversion works along Nash Lee Road and Nash Lee Lane. When further details are confirmed, we will update communities.

When will these works take place?

A section of the A413, Wendover Bypass, will be fully closed from 8am Saturday 12 October to 6pm Sunday 13 October. A local diversion will be sign posted.

We will work to open the roads to reduce disruption as soon as possible. Should there be delays to our works, these dates may be subject to change.

If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email hs2enquiries@hs2.org.uk
