

Notice of Traffic Management on Main Street, Charndon

September 2024 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain. If you have any questions or enquiries about our work, please contact our Helpdesk to find out more. You can sign up for regular updates in your local area at www.hs2inyourarea.co.uk.

What are we doing?

In 2 to 4 October 2024 there will be 2-way temporary traffic lights on Main Street, Charndon. Traffic management is required to regulate traffic flow over the narrow bridge while this route is being surveyed and made safe in time for being used as a diversion route during the upcoming realignment of Gawcott Road.

Gawcott Road is planned to close in mid/late October. An advanced works notice will be issued for the Gawcott Road closure once repairs to Main Street are complete, and a final date has been confirmed.

When will these works take place?

Traffic management will be in place from 2 - 4 October 2024 until March 2025 when the planned Gawcott Road works will be complete.

These dates may be subject to change due to circumstances outside of our control, such as weather.

If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email hs2enquiries@hs2.org.uk
