What are we doing?

From Monday 23 September until Tuesday 24 September there will be a south bound lane closure on Station Road south which will be controlled by temporary traffic lights. From Wednesday 25 September until Friday 27 September 2024, the closure will be on the northbound lane in the same location, again managed by temporary traffic lights.

These lane closures are for vegetation removal. The temporary traffic lights will be in operation from 8.30am until 5.30pm each day between 23 September until 27 September 2024.

This is for reasons of safety, as our operatives will be working on and around the carriageway.

When will these works take place?
