

HS2

Notice of utility works, near Huddlesford

September 2024 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain. We are writing to make you aware of the next stage of work that will be undertaken by National Grid Electrical Distribution that is related to HS2.

What are we doing

To provide power for HS2 control systems when operational, National Grid Electrical Distribution will build a new Primary Substation on land off Park Lane in Huddlesford. They will also install a new circuit feeder to connect to the new substation which will come from Lichfield Primary Substation located off Eastern Avenue.

The current proposed route for the cable circuits is within the carriageway on Eastern Avenue, Cappers Lane and Park Lane. There is a need to carry out ground investigation to confirm the cable route can be installed on the proposed route.

The initial ground investigation will be at the proposed substation location, which does not require any traffic management and will not impact road users. We expect this work to take around two weeks.

How will this affect me

The ground investigation will be carried out in land off Park Lane in Huddlesford, and will be done during standard working hours, without the need for any weekend working.

The normal working hours for these utility works will be **Monday to Friday 8am to 6pm**, there may be staff on site an hour before and after these times to set up and close down the site.

If you have a question about HS2 or our works, please contact our helpdesk on 08081 434 434 or email HS2enquiries@hs2.org.uk

Notification

Duration of works

The works will begin on the Monday 7 October 2024 and are expected to last until the Friday 18 October 2024

Minicom: **08081 456 472**

Email: hs2enquiries@hs2.org.uk

Keep up-to-date with your local community website

To find out more about what's happening in your area and receive regular email updates, you can sign up to our local community websites at: www.hs2inyourarea.co.uk.

About our Community and Business Funds

We are offering two funds that are available to local communities and businesses between the West Midlands and London, to help with the disruption caused by our construction work. These are the Community and Environment Fund (CEF) and the Business and Local Economy Fund (BLEF).

The CEF is designed to give communities the opportunity to share in the benefits of HS2. It is an allocated fund that communities are able to apply for, to help to support local projects that aim to improve their local area.

The BLEF is designed to support local economies that may be disrupted by the construction of HS2. BLEF grants are for local business support organisations and local authorities to help maintain business activity in local communities.

For more information about each of these funds, including how to apply, please visit: <https://www.groundwork.org.uk/hs2funds>

Keeping you informed

We are committed to keeping you informed about work on HS2. This includes ensuring you know what to expect and when to expect it, as well as how we can help.

Residents' Charter and Commissioner

The Residents' Charter is our promise to communicate as clearly as we possibly can with people who live along or near the HS2 route. www.gov.uk/government/publications/hs2-residents-charter

We also have an independent Residents' Commissioner whose job is to make sure we keep to the promises we make in the Charter and to keep it under constant review. Find reports at: www.gov.uk/government/collections/hs2-ltd-residents-commissioner

You can contact the Commissioner at: residentscommissioner@hs2.org.uk

Construction Commissioner

The Construction Commissioner's role is to mediate and monitor the way in which HS2 Ltd manages and responds to construction complaints. You can contact the Construction Commissioner by emailing: complaints@hs2-cc.org.uk

Property and compensation

You can find out all about HS2 and properties along the line of route by visiting: www.gov.uk/government/collections/hs2-property

Find out if you're eligible for compensation at: www.gov.uk/claim-compensation-if-affected-by-hs2

Holding us to account

If you are unhappy for any reason you can make a complaint via the helpline. For more details on our complaints process, please visit our website: www.hs2.org.uk/how-to-complain
