

Notice of temporary traffic lights on B4117 Gilson Road

September 2024 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain. Balfour Beatty VINCI (BBV) is working in partnership with HS2 Ltd to build the new high speed railway in your area.

The work we are doing

To assist in our preparation of the construction of the HS2 railway, we will be removing vegetation along sections of Gilson Road. To conduct our works safely, we will install temporary traffic measures in the area to ensure the safety of road users and our workforce.

When the work will take place

To carry out this work safely, we will install temporary traffic lights on a section of Gilson Road either side of our site accesses, from Wednesday 18 September until Wednesday 16 October 2024.

Our working hours will be 9.30am to 3.30pm each day. Our workforce may be on site up to an hour before and after those times to set up and close down the site.
