

Update: Notice of construction work

October 2024 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain. BBVS is the contractor working on behalf of HS2 to construct the Old Oak Common station.

What are we doing?

As we continue with the works at Old Oak Common Station, we need to undertake construction works near to the Central Line.

We need to do this work to support our infrastructure for the expansion of the Network Rail railway and for the new bridges.

Our teams will deliver this work in two phases.

Phase 1 Permanent Works

We need to install five concrete supports behind the existing Central Line abutment. These will support the new bridge decks on the new railway bridges.

Phase 2 Temporary Works

Once we've completed the Phase 1 works, we will need to install a temporary retaining wall constructed from steel supports. This will support the Network Rail infrastructure.

If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email hs2enquiries@hs2.org.uk

Notification

Duration of works

The work will take place between **Sunday 20 October until 16 December**

What to expect

Some overnight road closures

Working at night

Noise from equipment used for the works

What we will do

We will work hard to complete the works as quickly as possible to reduce disruption

We will engage directly with residents impacted by these works

We will update the HS2 website with any changes.

Update: Notice of construction work

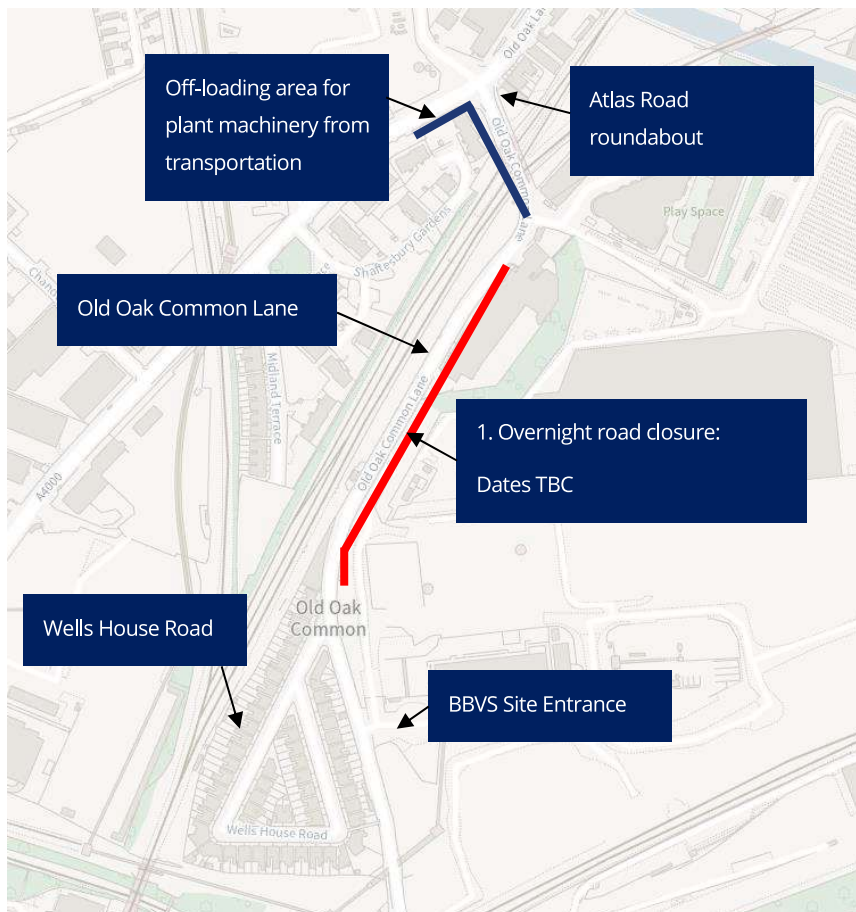

www.hs2.org.uk

Notification

What to expect

To enable the works to take place, we need to bring machinery into the BBVS site on Old Oak Common Lane. The machinery will arrive on a trailer towed by an HGV and off-loaded near to Atlas Road roundabout. They will be driven across the bridge by Oaklands Rise, once over the bridge it will be reloaded onto the trailer and taken to the BBVS site. Once on the BBVS site it will access the Central Line work site using the internal haul road and bridge.

Notification

Installing foundations and a retaining wall

Our teams started the works to protect the central line tracks on **Thursday 15 August until Saturday 31 August 2024**. (as notified via HS2-MW-BBVS-Ph1-OOC-St-S4-CR-43-09/05/2024 on 5 August 2024).

Due to proximity to the Great Western Main Line and the Central Line, we will need to complete the main work overnight.

We have been granted overnight possession of the railway the following weekends:

Sunday 20 October 00:00 until Monday 21 October at 05:00

Sunday 3 November 00:00 until Monday 4 November at 05:00

Sunday 1 December and Monday 2 December 2024 (Times TBC)

Sunday 15 December and Monday 16 December 2024 (Times TBC)

Our team's main work will begin on **Friday 18 October until Monday 16 December 2024** and take place during core working hours, Monday to Friday 08:00 to 18:00, Saturday and Sunday 08:00 to 13:00.

Once the main works have been completed the large plant machinery will be demobilised from site, there will be an overnight road closure on Old Oak Common Lane 01:30 and 04:30. We will confirm the date as soon as possible.

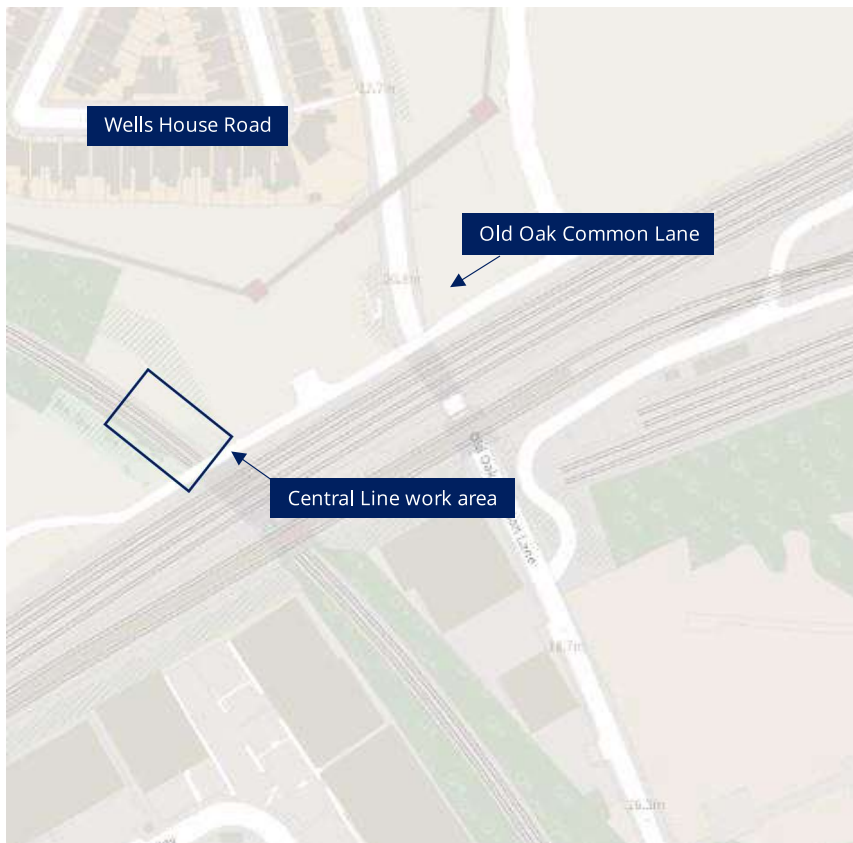

Ahead of these works, we installed protection to the existing cable management systems adjacent to the track, this involved covering the cables with timber panels to ensure they are not damaged during the work. When we complete both Phases 1 and 2, we will need to remove the timber panels. We will let you know this date as soon as possible.

Update: Notice of construction work

Location of works

Location of works on the central line railway between **Thursday 19 September 2024 and Monday 16 December 2024.**

Notification

What will we do

We are aware that these works may create some noise, so we will:

- Put up noise barriers around the work area
- Carefully handle tools and equipment
- Be mindful of the placement and handling of materials
- Control raised voices on site

When we are working overnight, if residents experience any issues with these works, we will be here the support you. Please feel free to contact the team via the HS2 Helpdesk, HS2enquiries@hs2.org.uk or call 08081 434 434 to at anytime and we will be able to provide alternative mitigations.

Keeping you informed

We are committed to keeping you informed about work on HS2. This includes ensuring you know what to expect and when to expect it, as well as how we can help you.

The Residents' Commissioner

The independent Residents' Commissioner oversees and monitors our commitments to you.

The commissioner's reports and our responses can be found at www.gov.uk/government/collections/hs2-ltd-residents-commissioner

The Residents' Commissioner makes sure we fulfil the commitments in the HS2 Community Engagement Strategy (<https://bit.ly/3oOA25j>).

The Residents' Commissioner can be contacted on: residentscommissioner@hs2.org.uk

Construction Commissioner

The independent Construction Commissioner regularly meets our Chief Executive Officer to raise any concerns or emerging trends across HS2.

The Construction Commissioner's role has been developed to monitor the way we manage and respond to construction complaints.

The commissioner mediates on disputes about construction, involving individuals and organisations, that we can't resolve. The commissioner advises members of the public about how to make a complaint about construction.

The Construction Commissioner can be contacted on: complaints@hs2-cc.org.uk

Property and compensation

You can find out about HS2 and properties along the route by visiting:

www.gov.uk/government/collections/hs2-property

Find out if you can claim compensation at:

www.gov.uk/claim-compensation-if-affected-by-hs2

Holding us to account

If you are unhappy for any reason you can make a complaint by contacting the HS2 Helpdesk. For more details on our complaints process, please visit:
