

# Notice of survey works on Park Street

October 2024 | [www.hs2.org.uk](http://www.hs2.org.uk)

High Speed Two (HS2) is the new high speed railway for Britain. Mace Dragados is the Construction Partner building the new HS2 station in Birmingham.

## Single lane restriction on Park Street

We will be carrying out surveys on Park Street to undertake a trial hole to survey Network Rail bridge over the Chiltern Railway lines.

The upcoming works will take place at the southern end of Park Street, near the junction with Bordesley Street. To ensure the safety of our workforce, we will need to temporarily reduce the road to a single lane near the works area. Despite this lane reduction, we are committed to always maintaining access for both pedestrians and small vehicles on Park Street and Bordesley Street. However, for larger vehicles, an alternative route diversion will be required.

## When will these works take place?

Monday, 11 November to Friday, 15 November 2024, from 8.00 am to 6.00 pm.

This could be reduced based on completion of activities.

## What to expect?

- Advanced roadside notice
- Single lane restriction on Park Street near the junction with Bordesley Street.
- Division in place for large vehicles
- Single lane reduction will be taken off in the evenings

**If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email [hs2enquiries@hs2.org.uk](mailto:hs2enquiries@hs2.org.uk)**

## Duration of works

Between 11 November to 15 November

Our working hours will be Monday to Friday:  
8am to 6pm

## What to expect:

- Single lane restriction on Park Street, near the junction with Bordesley Street

## What we will do:

- Keep any disruption to a minimum
- Display clear traffic management

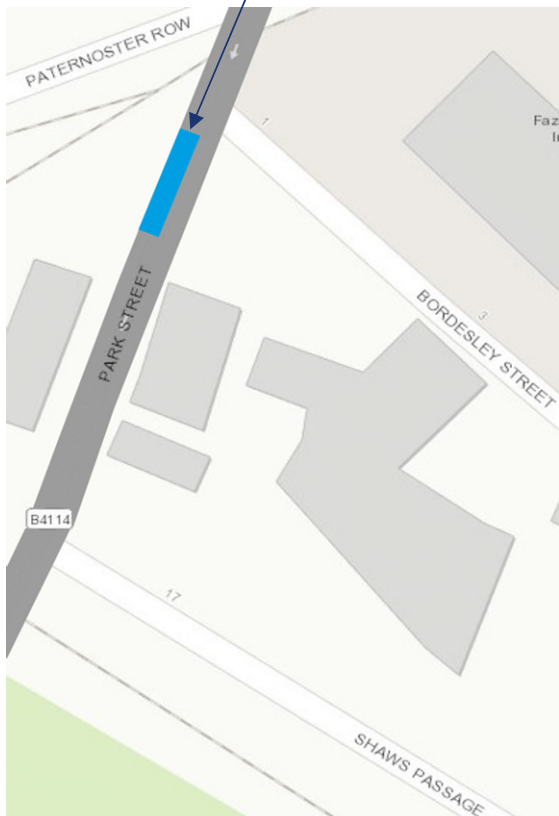

If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email

## Park Street bridge surveys

Images showing the work area where the surveys will take place on Park Street

We recognise that construction work can be disruptive to those living or working nearby. The nature of our work often means some disturbance is unavoidable, but every effort is made to minimise any unnecessary disturbance. We will closely monitor all noise, vibration, and dust levels to ensure we do not exceed our agreed limits.

Updates will be sent to you regularly outlining the next stages of works in the area including any alterations to the programme. Please note that changes to the programme may occur, and if these changes are likely to cause any disturbance, we will write to you again.

## Curzon Street station construction works

High Speed Two (HS2) is the new high-speed railway for Britain. The main construction works for Curzon Street station are being carried out by a joint venture between Mace and Dragados (MDjv).

We are committed to keeping you informed about our works. This includes ensuring you know what to expect and when to expect it, as well as how we can help you.

If you believe that your health or wellbeing might be affected by our works or want future written communications in a language other than English, please contact the HS2 Helpdesk as soon as possible.

# Keeping you informed

We are committed to keeping you informed about work on HS2. This includes ensuring you know what to expect and when to expect it, as well as how we can help you.

## The Residents' Commissioner

The independent Residents' Commissioner oversees and monitors our commitments to you.

The commissioner's reports and our responses can be found at [www.gov.uk/government/collections/hs2-ltd-residents-commissioner](http://www.gov.uk/government/collections/hs2-ltd-residents-commissioner)

The Residents' Commissioner makes sure we fulfil the commitments in the HS2 Community Engagement Strategy (<https://bit.ly/3oOA25j>).

The Residents' Commissioner can be contacted on: [residentscommissioner@hs2.org.uk](mailto:residentscommissioner@hs2.org.uk)

## Construction Commissioner

The independent Construction Commissioner regularly meets our Chief Executive Officer to raise any concerns or emerging trends across HS2.

The Construction Commissioner's role has been developed to monitor the way we manage and respond to construction complaints.

The commissioner mediates on disputes about construction, involving individuals and organisations, that we can't resolve. The commissioner advises members of the public about how to make a complaint about construction.

The Construction Commissioner can be contacted on: [complaints@hs2-cc.org.uk](mailto:complaints@hs2-cc.org.uk)
