

Emergency repair works, Greenford Road

October 2024 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain.

What we are doing

On **Sunday 27 October 2024** we will be carrying out emergency repair works overnight to two gas lids on Greenford Road near the intersection with Rockware Avenue.

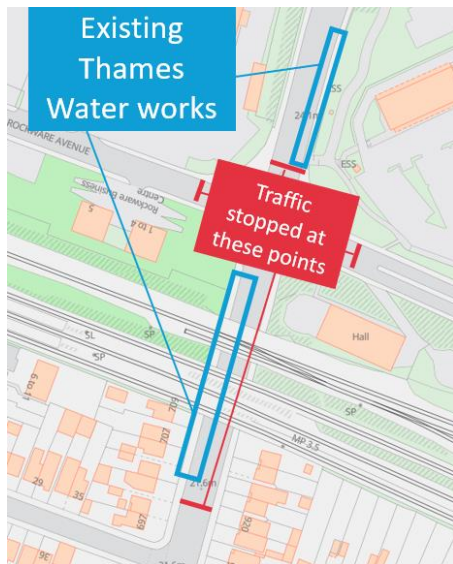

These works involve applying resin with hand tools.

How this will affect you

All traffic will be stopped for **15 minutes between 2am and 4am** at the Greenford Road and Rockware Avenue intersection, controlled by traffic marshals with handheld signalling.

A single lane on Greenford Road will then be narrowed for one hour to allow the resin to set.

The work areas and traffic stops are indicated on the map below.

If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email hs2enquiries@hs2.org.uk
