

Temporary traffic lights, Great Missenden, for drainage investigation works

October 2024 www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain. This notice is to inform you of temporary lights at Link Road, London Road / A413, and the North Portal site entrance, Great Missenden, to undertake drainage investigations at short notice.

How will these works affect you?

Four way temporary lights will be in place between 7 and 11 October 2024 from 9.30am to 3.30pm daily. When investigations are complete the traffic management will be removed.

What will we be doing?

A small works team will be investigating the drainage on the A413 by installing a mobile camera. A small works area on the northbound carriageway will be cordoned off to accommodate the operatives working here. A mobile welfare vehicle will be present. See map on page 2.

Avoiding peak times

To manage the impact of these works our team will work at off peak hours and will keep the traffic flowing. As soon as we can, we will remove the traffic management each day and reinstall each morning.

If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email hs2enquiries@hs2.org.uk

About our Community and Business Funds

We are offering two funds that are available to local communities and businesses between the West Midlands and London, to help with the disruption caused by our construction work. These are the Community and Environment Fund (CEF) and the Business and Local Economy Fund (BLEF).

The CEF is designed to give communities the opportunity to share in the benefits of HS2. It is an allocated fund that communities are able to apply for, to help to support local projects that aim to improve their local area.

The BLEF is designed to support local economies that may be disrupted by the construction of HS2. BLEF grants are for local business support organisations and local authorities to help maintain business activity in local communities.

For more information about each of these funds, including how to apply, please visit: <https://www.groundwork.org.uk/hs2funds>

Keeping you informed

We are committed to keeping you informed about work on HS2. This includes ensuring you know what to expect and when to expect it, as well as how we can help you.

The Residents' Commissioner

The independent Residents' Commissioner oversees and monitors our commitments to you.

The commissioner's reports and our responses can be found at www.gov.uk/government/collections/hs2-ltd-residents-commissioner

The Residents' Commissioner makes sure we fulfil the commitments in the HS2 Community Engagement Strategy (<https://bit.ly/3oOA25j>).

The Residents' Commissioner can be contacted on: residentscommissioner@hs2.org.uk

Construction Commissioner

The independent Construction Commissioner regularly meets our Chief Executive Officer to raise any concerns or emerging trends across HS2.

The Construction Commissioner's role has been developed to monitor the way we manage and respond to construction complaints.

The commissioner mediates on disputes about construction, involving individuals and organisations, that we can't resolve. The commissioner advises members of the public about how to make a complaint about construction.

The Construction Commissioner can be contacted on: complaints@hs2-cc.org.uk
